

in my life—during
the war, nor since.

It enlisted under
that name. My
discharge was burned,
with all else I had,
some twenty years ago.

This fact has
been sworn to and
my application is, or
should be, on file
in Washington for a
duplicate.

My Att. Mr John
Wainwright Wil. Del.
says that he has
sent all necessary
papers.

The names of my
comrades are on the
application Blank
that has been sent
to Bureau of Pensions
a month or more ago.

Mr Wainwright
was paid to get
my duplicate of Discharge

Yours very truly
