

Now I make a appeal to you to do something
 for me, now I am getting old, not able to work
 and have no income, you could send a special
 Escrow down here to Escrow in my case ^{like you}
 did in 2 other cases and you allowed them
 their Pension, now I think that my case is as good
 as theirs, and if you would do that you will
 find my case ~~brave~~ and honest my husband
 was a good man and a good soldier, please do
 something for me by doing so you will help a
 poor old widow and her my blessing to

Yours Respectfully
