

I identify the paper you show me. I do not remember that Frisby was ever wounded in service. I know nothing about the affidavit you now read to me. (Affid No 19/90) I never heard of that paper before. I never made any such statements at Lloyd's office, simply because I have no knowledge that Frisby ever had any of those disabilities in service. Yes sir, I am positive that I never made any such statement and was never sworn to any affidavit in Benj. Frisby's case. I have no interest in this case. I fully understand the contents of this deposition and it is correct and true.
