this district.

I recommend that this Claim go to Queen Anne County, Md. for further examination as to marriage and non-prior marriages of both Soldier and Claimant.

Henry Wilmer and Joseph Boyer or Bowyer, of McGinnis, Queen Anne Co. Md. should be seen, and they can probably give the Examiner the names of other witnesses who knew Claimant and soldier prior to their marriage.

Claimant's son says that Joseph Boyer can give the names of "plenty people", both black and white, who knew them.

I believe this Claim should be made special, on account of the miserable and suffering condition of Claimant, and a Guardian will have to be appointed for her when the merits of the Claim are established - if they are so established.

Very respectfully,
A. H. Davis,
Special Examiner
