

Chester town Nov. 20th 1913

Hon Commr. of Pensions.

Mr Sir On or about June 20th

1912 I made application for an increase of pension under act of May 17th 1912. My neighbor Hans Litton Finster made similar application same date. The two were enveloped together and mailed to the Comr of Pensions (then) J. C. Overton. Finster got his increase dated Apr. 21st 1913. I have heard nothing from my application. Please inform me if it has been received. My present pension certificate is # 799778

Respectfully

Yours truly
