DELAMONTERAT'S Columbian Vegetable Specific. FOR the cure of Consumptions, Asthma, Pleurisy, Spitting of Blood, and Pulmonary at fections of every kind, - The most valuable be mainly filled. remedy ever discovered for the cure of Consumptions and all diseases of the breast and lungs leading to Consumptions.

To all afflicted with these troublesome affections an immediate use of this highly celebrated specific is only necessary to convince the most incredulous of its possessing qualities superior to any other medical preparation yet discovered .- Since the discovbeen followed by the most alarming consequences. This Specific has relieved and medicines have failed to give any relief. operates by gentle expectorations, and may he given to infants and children with the greatest safety.

De La Monterat's Columbian Vegetable Specific has stood the test of experience and proved itself the most valuable remedy ever discovered for the cure of Consumption and Pulmonary affections of every kind.

The following certificates just received from highly respectable gentleman will show

its value. Baltimore County, February, 14th, 1829 GENTLEMEN-Ifeel it my duty to acknowledge the great benefit I have derived from the use of De La Monterat's Columbian Vegetable Specific. I do not like to speak of the Medicine in the exalted terms in which I estimate it, I will therefore as briefly as possible, give a history of my own situation with the effects produced by this valuable medicine. I have been for the last five or six years labouring under a pulmonary Consumption, pronounced to be such by the attending Physician, during which time have consulted many Physicians. Taken much medicine, but all to but little purpose. The 12th of March, 1828, I puked blood for the first time, and continued so to do for several days in succession, and on the 14th of the same month, was confined to my bed, where I lay for two months until I was reduced to such a state of debility, that my friends began to despair of my recovery. had made use also of all the popular remedies without benefit, and having accidentally heard of this Specific I determined to give it a trial, anticipating from the use of it, no better result than had attended the use of THE subscriber begs all the remidies I had taken; but in this I was leave to inform the pub- happily disappointed.
