AND PEOPLE'S ADVOCATE.

TUESDAY APRIL 19, 1831.

EASTON MD

VERY LATE FOREIGN INTELLIGENCE. The ship Hibernia at New York, from Liverpool has brought us news from Europe to the 21st of March, being nearly a month later than our previous dates. The short time to the 20th of March, inclusive, by the packet of the Baltimore papers. Whatever may be we had to make up our paper after the receipt of the news, together with the arrangements we had previously made, prevent us are near a month later than our former advi- not ascertain it,—it is very certain the Russifrom giving the details entire, although they ces, and are in all respects of the highest mo- ans as well as the Poles, have suffered greatly. are of the most thrilling interest. To accomplish even what we have done, we have been compelled to omit sundry miscellane- render it impossible in a single sheet to disous items prepared for this week.

It will be seen that the war has burst upsions made upon our mind by the details of and absolutists of Europe be thus unitedly enly a cause.

the prices of Flour and Grain. On Saturday to \$6.374, by the large quantity. Wheat of troyed, good parcels, \$1.20 to \$1.27, as in quality. Corn 67 to 69 cents. Rye, 65 to 70. Oats 32 to 371.

Sunday the 10th, we had a severe gale of wind longer protected by their brave army, and bedetails of the disasters occasioned by the gale. The New York Evening Post contains a list, by the celebrated correspondent of the morn- of custom houses, your province, by constituting itof the vessels and houses damaged, of near a ing Chronicle, in the following impassioned self apart, would be the most wretched country on coloumn in length.

We have not yet received the April number of the Lady's Book. The following notice we find in the United States Gazette.

We received on Thursday, the April number of the Ladies' Book. Its typographical appearance is consistent with the plan of the work, and with the antecedent numbers; but the plate of fashions is one of more than usual excellence—the handsomest of the kind ever published in America.

We have received the first number of the Philadelphia Saturday Courier—a paper which rable literary character.

"PARIS. March 8, 1831, 3 o'clock, P. M .-Warsaw has capitulated. Praga has been destroyed by fire! and the Polish Revolution has been terminated. I had sent you a long letter before I received this intelligence. that letter I had hoped against hopes, expressed my doubts, and prayed for a success which I almost despaired of. But alas! alas! couriers have arrived with the afflicting intelligence that Warsaw has capitulated and Praga has been burned by fire. France will hear Italy, in which his intentions were more pacific than it with horror. England will learn it with those of his advisers. The following is a list of the sadness. Liberty is arrested in her march; new cabinet: but the arm which arrests her progress, mpotent. Russian Barbarians may burn cities, ravish women, rip up their helpless vicis evidently intended to lay claim to conside- tims, and plant for a while the standard of Interior, and President of the Council of Ministers. despotism on the ruins of independence. But all this will not avail; and, in spite of those From the Worcester County, (Pa.) Republican. momentary triumphs, the Poles shall yet be
