

**Dr. SCUDDER'S
CELEBRATED EYE WATER.**

For Inflammation and weakness of the Eyes.

THE great advantages of this infallible remedy, places it as a general appendage to every family, and a constant cure-means to the traveller. This Eye Water is prepared with the greatest care, and has never been known to fail in effecting a speedy and safe Restoration of the diseased organs. It is useless to attach any certificates by way of praise or recommendation, the reputation and immense sale that has attended Dr. Scudder's Eye Water, being the fairest proof of its utility and beneficial tendency. It has been the means of preserving sight to many of the afflicted, from the helpless infant to the aged parent. Numerous letters have been received by Dr. S. within these few years, containing flattering remarks relative to this Eye Water—and the cures effected by it, have been set forth as wonderful beyond precedent. Dr. Scudder confidently recommends it as a safe and valuable remedy—and he trusts that his reputation and experience as an Oculist, will weigh against the gross impositions which are daily practised on the public by advertisements of different kinds of Eye Water, many of which are unsafe to use.

Prepared by

Dr. JOHN SCUDDER.
Optician and Inspector of Artificial Human Eyes,
City of New York, and to be had wholesale
and retail of Doct. S. W. SPENCER, Sole
Agent for Dr. S. in Easton, &c.
