THO PRINTERS -E. WHITE & WM. HAGER respectfully inform the printers. of the United States, to whom they have been individually known as LETTER FOUND. Eas, that they have now formed a copartner ship in said business, and hope from their uni ted skill and extensive experience, to be able to give full satisfaction to all who may favour them with their orders. The introduction of machinery, in place of that tedious and un healthy process of casting type by hand, long a desideratum by the European and American Founders, was by American ingenuiv, and a heavy expenditure of time and money on the part of our senior partner, first successfull accomplished. Extensive use of the machine cast letter, has fully tested and established it superiority, in every particular, over that cast by the old process.

The letter foundry business will hereafter h carried on by the before named, under the firm of White, Hager & Co. Their specimen exhibits a complete series from Diamond to terms for Cash. 14 lines Pica; the book and news type being in the most modern and light style.

White, Hager & Co. are agents for the sale the Smith and Rust Printing Presses, which they can furnish to their customers at the manufacturers' prices.
