Red Rover is now 10 years old, in fine stud condition, of the best blood in the country, as by reference to the annexed pedigree will appear. Red Rover is a beautiful sorrel, nearly 16 hands high, with a bold and lofty carriage, with great tone and sine; his general appearance commanding, admired and approved by judges.

Red Rover will be at Easton on Tuesday 25th inst. at New Market on Thursday the 27th inst. at Cambridge on Saturday the 29th inst. and at the Trappe on Monday the 31st inst. and attend each stand alternately on the aforesaid days once in two weeks during the season. The season to commence on the 20th March instant, and end on the 20th June next.

PEDIGREE of the celebrated horse Red Rover. Red Rover was got by Chance Medley, out of the late James A. B. Forest Girl, who was got by Col. Taylor's Oscar, and was pronounced one of the finest Oscar mares ever raised on this shore; (for pedigree of Col. Taylor's Oscar, see Turf Register); his grand dam by Col. Lloyd's Vingt-un, (for pedigree of Vingt-un, see also Turf Register). The grand dam of Red Rover ran on the Centreville course the four mile heats, when in foal with the dam of Red Rover, and won the money, beating the second and third heats; and the dam of Red Rover (the Forest Girl) when but 3 years old, ran on the Easton course, and won the money, beating the second and third heats.

Chance Medley was got by Col. Taylor's imported horse Chance, (for pedigree of Chance see Turf Register; March No. 1833, page 324 and 325.) who was selected at a very high price in England, by the best Judges, or Col. Taylor, and was imported in the year 1810; he was the sire of Grimaldin, Speculator, Accident, Scapa's colt, Chance, &c. all first rate runners in their day. Chance was got by Lurcher, his dam Reality, by Hyder Aly—Lurcher was by Dun Gannon, who was by Eclipse; his dam was by Vertumnus, or Eclipse—Hyder Aly was by Blank; his dam by Regulus. The dam of Chance Medley the sire of Red Rover, was got by Young Diomed, by Col. Taylor's Grey Diomed, dam by the imported horse Gabriel. Young Diomed's dam was got by Snap, a son of Old Snap; her dam by Lightfoot, a son of Old Cade, &c. &c. &c.

JOSHUA M. FAULKNER.
CERTIFICATE—We do hereby certify that Red Rover has been located as a stallion, since he was four years old, in this county, that we have seen many of his colts and believe him to be a vigorous and sure footed trotter; his colts are large and well formed, and in general do him much credit. The blood of his sire, Chance Medley, cannot be excelled, either for its purity, or the value of its cross; his dam by Oscar, his grand dam by Vingt-un, and g. g. dam an excellent racer, descended by Col. Lloyd's Traveller.

EDWARD N. HAMBLETON, NICHOLAS MARTIN.
N. B. Few horses in this county hath propagated better colts than Red Rover. Their form, size and action, are generally admired. His three years old colts, more particularly invite attention.

PROPOSAL
FOR PRINTING THE JOURNALS OF THE CONVENTIONS OF THE PROVINCE OF MARYLAND, Held in the City of Annapolis in the years 1774, 1775, and 1776.

The subscriber proposes to publish the Journals of the Conventions of the Province of Maryland in the years 1774, 1775 and 1776. It is believed that there is but one complete copy of these Journals now extant; and from the circumstance that they were printed in pamphlet form, and unbound, it may be fairly concluded that it too, must in a few years be destroyed by the mere decay of time. They are the only authentic evidence of the Political History of Maryland, during that interesting and unquiet period. Although we have, in abundance, histories of Maryland, and Colonies, at that time formed, for mutual protection against the improper assumption of power on the part of the Mother Country, yet none of these works embrace what may be termed the Domestic Internal Political History.

This part of the history of Maryland it should be her pride to hand down to posterity, not only on account of its deep interest, but as a public Sacra. Record of the voluntary sacrifices, during spirit, and determined resolution, of her citizens, during this period of doubt and dismay. In the confident expectation that the citizens of Maryland will consider the proposed publication of sufficient importance to entitle it to their patronage, the subscriber is induced to issue this proposal.

J. GREEN.
The JOURNALS will be printed in one octavo volume, on good paper, and with a new type. Price, per copy, two dollars.

RESPECTFULLY returns his thanks to his customers and the public generally, for the liberal support already received, and begs leave to state, that he still continues to carry on (as his old stand, on Washington street, near the tan-yard of Messrs. H. E. Bateman & Co., and next door to R. Spencer's Smith Shop,) the above business in all its various branches. Also the manufacture of Agricultural Implements, such as ploughs, harrows, drags, rollers, cultivators, corn cradles, wheel drags, cart saddles, hames, and wheat cradles, all of which will be made to order at the shortest possible notice, and in as neat and substantial a manner, as any other establishment in the State.

Repairs of every description done at the most moderate prices, and with the greatest dispatch. Being a practical mechanic and having carried on Col. Edward Lloyd's shop for near 3 years (to whom he refers the public,) and intending to execute in person the orders for all the wheat cradles, with which he may be favored, he intends to warrant all work sent out of the shop to work well. He has also a large assortment of materials in his line of every description, and well seasoned, and intends keeping on hand ready made wheels of different sizes and heights.
