American Magazine

OF USEFUL

INTERTAINING KNOWLEDGE.

VOL. II. Published by the Boston Powick Company-

No. 47, Court Street.

The Publishers are encouraged by the flat tering reception and extensive circulation of the Magazine for the year past, to prosecut he work with renewed assiduity and with a constant desire to fulfil the promises ma in the outset of the work. We intend stick to our text;" and to serve those w have so liberally cheered us with their kind patronage, with what is useful and pleasant, uttle et dulce shall still be our object and aim. We do not presume to instruct the veteran and erudith scholar, who has spent thirty or forty years in his study; -nor to lay open those hidden mysteries of nature which have escaped the ken of the most inquisitive. Nor do we expect to approach so near to the moon Museum. or other planets, as to tell what are the trees, the birds, and animals which may there grow or live and move. We leave such extraordinary feats to those who are more visionary, or more daring than we are. But we hope and intend to keep up the character and spirit fo the Magazine, in presenting solid and useful articles, which may be instructive to a portion of our readers, and not considered whol-
