United States' Magazine AND DEMOCRATIC REVIEW and relying upon the democratic party, as N the 1st of July, 1837, will be publish- from others, the price of subscription is fixed Publication Office, No. 74 South Second street, Price Ted at Washington, District of Columbia, at the low rate of Five Dollars per annum; THE SATURDAY CHRONICLE, in advance.

the principles of the Democratic party. polity before the country, expounding and ad- the risk of the Publishers. vocating the Democratic doctrine through the All communications will be addressed, post most able pens that that party can furnish, paid, to the undersigned, the Publishers. in articles of greater length, more condensed comes an instrument of inappreciable value The subjoined is taken from a New Orleans pape. for the enlightenment and formation of public) nishing to the public a clear and powerful commentary upon those complex questions of policy and party which so often distract, and upon which, imperfectly understood as they frequently are by friends, and misrepresented and distorted as they never fail to be by politiopponents, it is of the utmost importance that the public should be fully and rightfully informed, it is hoped that the periodical in question many be made to exert a beneficial, rational, and lasting miluence on the public

Other considerations, which cannot be too. highly appreciated, will render the establishment and success of the proposed Magazine of

very great importance. In the mighty struggle of antagonist principles which is now going on in society, the Democratic Party of the United States stands committed to the world as the depository and exemplar of those cardinal doctrines of political faith with which the cause of the People in every age and country is identified. Chiefly from the want of a convenient means of concontrating the intellectual energies of its disciples, this party has hitherto been almost applicable to state, that, from the above mediwholly unrepresented in the republic of letters, cal min the Ramedy for the restoration of while the views and policy of its opposing Hearing and Eye-Sight, is to, be had-and creeds are daily advocated by the ablest and which-(without using any medicine) proves
