Supplement to the Globe. PROSPECTUS For the Congressional Globe and Appendix

ENSIBLE of the deep interest which must be tell throughout the Union in the new administration, to meet the extraord nary emergencies which have arisen since the close of General Jackson's term of service the undersigned have already made preparaful record of all that is done in Congress-N. B - We are given to understand by our sketches of attendant discussions, with an sentatives, and of the result of the labors of all; but, we doubt not, they will be found per- Brass manently useful as the most authentic, complete, and convenient parliamentary record of cur times. This undertaking having, wil these views, been liberally patronized by the public it is our purpose to justify this early and continued favor, by increasing the strength of our corps of Reporters at the next fall and winter Sessions. The Fall Session will be looked to by the country to settle all that has been Publication Office, No. 74 South Second street, unsettled by the overthrow of the system of Deposites as established by Congress—the

25th Congress

be entitled to a copy. Payments may be transmitted by mail, postage paid, at our risk The notes of any ed incorporated Bank in the United States, which did not suspend specie payments before the lst of May, 1837, will be received. But

when subscribers can procure the notes of Banks in the Northern and Middle States, sual commission they will please send them. To insure all the numbers, the money must be here by the first Monday in September

The Congressional Globe will be sent to those papers that copy this Prospectus, if our attention shall be directed to it by a mark with a pen. Our Exchange List is so large that we would not observe it, probably, unless this be done,

No attention will be paid to any order, unless the money accompany it, or unless some Robt. Hare, Jr. Esq responsible person, known to us to be so, shall B. W. Richards, Esq agree to pay it before the session expires. BLAIR & RIVES.

FOR THE SUCCESS OF HIS GRANDFATHERS. Vegetable Universal Pills. ESTABLISHED IN ENGLAND, 1751.

"Science should contribute to the Comfort, Health. and Happiness of Mankind."

On the eighteenth of May, 1835, these now

truly celebrated Pills were first made known

in the UNITED STATES, although in Europe naturally viewed them with suspicion, but as on trial they were found what they professed. it was soon displaced by the greatest confidence. They have secured this character, too, under very adverse circumstances, having to contend with the base slanders promulgated by those interested in keeping mankind in a state of error as regards the functions of their bodies. Dr. Brandreth would here impress on his friends, and the public generally, that however different may be the action of the Pills at different times, that such different action arises not from any alteration in the Pills, but from the state of the body; they should be persevered in until the action is unitorm; for they are an effectual assistant of nature, having the same kind of action on the human body that storms and hurricanes have upon the air, or that the tides have upon the ocean; they purify. What so judicious as the copying of nature? -- We see, when she wishes to become purified, that she puts herself in commotion, which has the purifying effect. and is prepared to execute all kinds of work And so we, to induce purify in our bodies. in his line of business, with neatness and des- bring about a natural commotion by artificial means, and experience has taught those who Thankful for past favors, he solicits a con- have adopted this course, and who for this of the latest improvements and most approved | sound health or in other words, every organ has become restored to a state of purity con-Frock Coats, Dress Coats, Vests, Children's sistent with its functions; and although there with them under the most trying circumstances of bodily affliction, when every other means and medicine have proved altogether unavailing, have been restored to health and happiness from their use, and the consequence is, they are now recommended by thousands of persons whom they have cured of consumption, influenza, colds, indigestion, dyspepsia, headache, and a sense of fullness in the back par of the head, usually the symptoms of apople xy, jaundice, fever and ague, bilious, scarlet, typhus, yellow, and common fevers of all kinds, asthma, gout, rheumatism, nervous diseases, liver camplaint, pleurisy, inward weakness, depression of spirits, ruptures, inflammation, sore eyes, fits, palsy, dropsy, small pox, meazles, croup, coughs, whooping cough, quinsey, cholic, cholera morbus, gravel, worms, dysentery, deafness, ringing noises in the head, king's evil, scrofula, erysipelas, or St. Anthony's fire, salt rheum, white swellings, ulcers, some of thirty years standing. cancers, Tumors, sweelled feet and legs, piles, Costiveness, all Eruptions of the Skin, Fright-

kind, especially Obstructions, Relaxations, &c. 8900 TESTIMONIALS have been received from individuals of the highest respectability. Call at Dr. B.'s store, and read the ORIGINAL letters, all proving the extraordinary power of Brandreth's Pills in removing diseases of the most quagette character from the Constitution. They in fact prove, by the tures they make, that there is no necessity for
