who has been relieved by a good Medicine to publish his case for the benefit of mankind, how much more is it his BOUNDEN DU'I to give notice to the community when he has most commanding efforts of genius and learn been injured by a DRUG talsely called a ling. medicine, and which has been palmed upon him under the name and well earned fame of a tempt will be made to remove the regenuine catholicon Under these impressions proach. the subscriber deems it his imperious duty to state the following facts:

Some few months since, while suffering unt der a severe indisposition, I acceded to the advice of my friends and made trial of Brandreths Vegetable Universal Pills, although I contess with little faith in their efficacy, having made trial of the usual remedies peculiar to my complaint without avail. I accordingly sen to the office in Charles street, procured a 2. cent Box of the Genuine Medicine and com menced the use of it, with strict regard to the printed directions with which it was accompanied and I had the gratification to find, the after a tew doses, the malady under which laboured was eradicated from my system. sense of gratitude induces me here to add, my conscientious belief, that I have received more real benefit from the use of a single quarter dollar box of these Pills, than from any medicine that has ever been administered to me, I will therefore take the liberty to recommend them to my friends as a medicine which believe to be perfectly harmless, and one that may be taken at all times and under all circumstances, not only with perfect safety but tion. with beneficial results. For my own part I shall use no other, so long as I possess in my ty, which is inseparable from the political de- ably known as an excellent school of Practice, and to the farm he lately purchased of John own person such ample testimony of their invigorating and salutary properties under affliction. The last three or four weeks, I have sp nt in the city of Washington, my business sal principles of taste to which we are all alike Practice of Medicine and of Surgery-who, requiring my presence in that City.
