Some few months since, while suffering untder a severe indisposition, I acceded to the advice of my friends and made trial of Brandretts Vegetable Universal Pills, although I confese with little faith in their efficacy, having mads trial of the usual remedies peculiar to my complaint without avail. I accordingly sent to the office in Charles street, procured a 25 cent Box of the Genuine Medicine and commenced the use of it, with strict regard to the printed directions with which it was accompanied and I had the gratification to find, that after a few closes, the malady under which I laboured was eradicated from my system. The last three or four weeks, I have spent in the city of Washington, my business requiring my presence in that City. From change of water, diet, or some other cause my bowels became much disored and having exhausted the box of Pills I obtained in Baltimore, I went out in quest of more. I made various inquiries, and at length despairing of success, as a last resort I stepped into a Drug Store, and asked if they had any of Dr.

Brandeth's Pills.

The Druggist replied in the affirmative, and handed me a box, for which I paid him 25 cents. They were a spurious article and as the sequel will prove deleterious. I immediaely took three Pills, the next morning I felt no better; knowing the essential benefit I derived from the medicine in Baltimore and C Neal, B B Thatcher, R Penn Smith, Mrs not entertaining the most remote idea but Phelps, Mrs Willard, Mrs Farrar, Mrs Wells, what the Pills I was taking were genuine, I took four more, on the approach of night, I felt much worse, yet still with a confidence in the Genuine Brandreth Pills of which I am now proud, I persevered with this insiduous poison and took FIVE more. The operation of this dose very soon increased the virulence of my symptoms. The whole region of the stomach was disordered, my head wretchedly distressed, and in my legs from the ancle to the knee a breeping agony passing description, prevented an interval of a moments repose. Of course I became seriously alarmed. Unable to prosecute my business. I hastened back to my family in Baltimore. After my arrival I despatched my son to Dr. Brandreth's office, with the box and the remaining Pills I had procured in Washington to ascertain if they were genuine. Mr. Green the General Agent waited on me immediately and at once convinced me that I had been undergoing a perilous experiment in the use of a base and miser able counterfeit. I immediately provided myself with the Genuine Brandreih Universal Pills and without delay took six of them. A few hours only sufficed to make me perfectly conscious of their renovating influence. rapidly improved and am now convalescent (although not perfectly recovered from the vile The Lady's Book and D'Israeli's Novels effects of that pernicious drug) I may here add that the carchasing of this one box of counterfeit Pills has cost me fron Fifteen to Twenty dollars.
