leave to call the attention of his Subscribers to his various publications, most of them by Ladies. He would mention first, a work on Cookery, by one of the editors, Miss Leslie, a work which has passed through many editions, and is still in the greatest demand in large cities. It is an invaluable auxiliary to house-

Directions for Cooking, in its various branches. By Miss LESLIE

Third Edition, with Improvements and plementary Receipts. NOTICES .- "This is the most complete manual of cooking which has yet been publish-

ed. All the processes of preparing meat, vegetables, and pastry, all the secrets of the dishes which have a thousand times delighted our palates and puzzled our brains, are here laid open to every one who chooses to pry into them; and every housewife who is furnished For one copy of the Congressional Globe \$1 a proof there are yet matters which must be variety of delicacies which heretofore have been ! thought inaccessible but through the skill o professed cooks". - Saturday News. "This is the book for housekeepers. Full

ofuseful information connected with the subject of gastronomy "-Bosont Post.

"And this real housewife book, which ought to hold a middle place between the partour and the kitchen, is the work of Miss Leslie, whose delightful pen has so often enriched the elegant literature of our country. This volume contains the art of cooking, preparing, and earving the whole list of catables, from the egg to the apple. The book is a pertect vade mecum for the housekeeper, and we should think would be in demand for the soundness of its culmary doctrine, and the simplicity of its pre cepts."-U. S Guzette.

Being independent of the kitchen, and unqualified for an umpirage in culinary proprieties, we handed the book to a good' housewife, who pronounces it worthy the Authoress-the best compliment that could be bestowed on it.

This valuable work contains nearly one thousand receipts, and no book on the subject of cookery, &cc. has been more highly praised or is more deserving of it, than the one now offered. The subscriber has a few copies done liam Loveday, where he will carry on the up in Nos. with paper covers, for the convenience of sending by mail-and done up in that manner purposely to oblige patrons of the La dy's Book, who may reside at a distance from large cities.
