September 10 1847

My return home, I found the Home
Guard had sent me some funds to Sept 10
of Federal. These disappointing me
in my journey. You will readily see
I could not empty. If your caps
would desire the Carbine I can
furnish you with them having 30 at
in use by giving me your direction
at Battenburg City I can forward
them (our own being given to the
State for them.

The Whigs expect much from
the Army we shall do our duty
More respect fully

or truly
