My Dear Sir:

Your favor of last week was received while
writer was at home under the Doctor's care.

I will be obliged if you will send my
Mare up on Wednesday's Boat: it is quite impossible for
me to go down for her at this time, and unless you will have
some one towing up - I shall have to trust to the Deck hand
to look out for her.

Please get her off for me, on Wednesday
and make the best arrangement you can for some one to look
after her.

Please also send me the bill for keep,
upon which please state the times of service.

With best wishes, I beg to remain,
Your very truly

Edw. B. Emory Esq
