Mr. E. B. Emory.

Dear sir -

Since writing you I have been told that Hoppy Russell is to be sold again - is this so? If so, why did you send Mr. Wilcox word & not me also? I suppose you know that I have a letter from you stating that you would allow me the first return of mare Regina to Hoppy Russell next season if not in foal, this on account of her breeding, as you thought her to be the best bred mare Dr. Day had - Please
