Dear Mother:—

I enclose a check for  
\$49<sup>50</sup>/<sub>100</sub>. Which you can use as you  
please. I do not think I will  
need any of it—so you can do  
~~as you~~ pay back the twenty  
five you borrowed for one  
& you can take the rest.  
& pay it back when you feel  
that way. I would like to  
have sent me a whole fifty  
but they dock each man  
fifty by cents for Hospital expen-  
ses. I expect to get payed  
at the rate of fifty only for  
the last half of Feb.
