note

is good

performing the marriage ceremony  
but had a record of the same cor-  
roborating the claimant's statement  
as to date viz May 26 1885 I  
saw the record and have no doubt  
as to its genuineness

Respectfully referred to the  
Chief of the Board of Genes  
for consideration.

Very respectfully,  
Edward Potts  
General Examiner.
