Those Who Favor Us With Hurry-up Orders Receive Their Suits in FIVE DAYS After Measurements Taken

For in so large an organization as the International Co., there's a special hurry up department maintained for such emergencies.

We are making to your individual measurement an absolutely all wool, perfect-fitting, well-tailored suit for \$12.00, with very gradual advances up to the finest imported fabrics. Every suit fully guaranteed by this large plant and backed by home people, whose record for 35 years fair trading in this locality is quite well known.

We guaranteed to fit you, give you first-class trimmings and workmanship and even better material than you can NOW obtain in ready made for the same money.

Why So? Think This Over

Because we are rid of the interest on large stock of ready-made clothes and carry over (owing to backward season), no big rent or interest on investment, taxes, insurance and quite heavy up-keep generally. This is the obvious, logical reason. They're coming in daily. Look at the fit, work-manship and ask the price. Won't be much trouble to see one—there's Chesley, of St. Mary's, and Speaker plenty around and will be satisfied with the verdict.
