\$20,000 a Year More To Savings. Depositors

Depositors carrying Savings Accounts in the Banks of Kent and Queen Anne's counties will receive in interest than they have hereto- w with chicken pox.

This material increase in interest benefits is due directly and solely to the stand taken by the interest, and refusing to join the other banks in their binding agreement to pay no more than THREE per cent.

Those depositors who appreciate the benefits accruing to themselves and others by reason of this general increase in interest rate, will show their appreciation by giving THE PEOPLE'S BANK a liberal share of their deposits and banking business.

Thlnk this over carefully. Get * the facts. Investigate. .

The PEOPLE'S BANK is ready to serve you faithfully and well. Cordially submitted.
