

66 The Thinkers of the Tobacco Chewers' --

said one of the greatest thinkers this country ever produced.

Says the Pilot:

"Nosing a big stern wheeler along a muddy river with sandbars reaching up to grab her that's when you need real steadiness. When there's nothing but your judgment between your boat and a shoal, take a chew of PICNIC TWIST."

In every convenient twist of PICNIC you'll find the true tobacco uplift without the letdown that comes from

dark, heavy, rank tobacco. PICNIC WIST is a light colored, soft twist of the mild, mellow parts of the leaf.

Men accustomed to "strong" tobacco will be surprised how much they can chew of this mellow twist with its sweet, lasting taste.

CHEWING TOBACCO "The Thinkers of the Country Are the Tobacco Chewers"

It comes, also, in economical, freshness-preserving

drums of 11 twists for 50c.
