

BASE BALL NOTES

Kennedyville won their game with Massey last Saturday by score of 19 to 7. Robert Kennedy, Hill and Nuton battery. Massey did not make much of a showing and our boys had an easy walk-over. Battery for Massey was Davis, Jones and Gibbs.

This Saturday Kennedyville is to play Massey again at Massey. We hope the game will be more interesting. The Kennedyville High School team is holding their own playing baseball. Last Wednesday the High School of Betterton played on the Kennedyville home grounds. Kennedyville won by a score of 4 to 3.

The Golt baseball team with a good number of fans defeated the fast going St. Georges team last Saturday afternoon at St. Georges by score 14 to 3. Battery for St. Georges, Carr and Davis; for Golt, B. Moffett and Shellberg. The features of the game was the hard hitting of the Golt lads and the pitching of Shellberg. The Golt boys are scheduled up with some fast teams, such as Middletown, Elkton and Newark. Our next game will be played at Golt vs. St. Georges next Saturday at 3 p. m., May 28th. Golt has played four games and won four. First game we played defeated "Massey All Stars" and two games with Millington.

Nichols was on the mound for the winners and pitched good ball while his team gave him errorless support. Bacon for Capt. Frazier Russell's team received poor support from his colleagues.

THE ARAB

never leaves his home, but takes it with him. Many men die, leaving nothing, practically taking the family home with them. For this reason a proper application of life insurance is constantly urged.

What nonsense, to talk of going without insurance because of the cost? It does not cost. It saves. It does what you cannot do for yourself (and would not do if you could). It works nights and Sundays. It protects all the time. It makes men smarter, bigger, better, richer and women, too.

ROCK HALL

Commencement exercises at Rock Hall High School will be held Thursday evening, June 9th, at 8 o'clock, in Junior Hall. The following are the graduates: Hilda Sofronia Ashley, Katherine Lindell Ashley, Alfred Edgar Culley, Ella Jane Leach Hadaway, Thomas Frances Judford, Lillian Marie Orr, Ruth Olivia Plummer, Emily Catherine Stevens, Frances Isabel Stevens, Myrtle Irene Thompson, Anna Louise Willson.

Rock Hall Sunday School voted to change the session from afternoon to morning, which means no church service for Sunday afternoon hereafter. This appears to the writer a bad move for the religious interests of young people. Tolchester, the ferry and other amusement attractions are too near us to allow any abandonment of church services on Sunday.

James Thomas succumbed to the effects of lock-jaw at a city hospital where he was taken for treatment after the complaint developed to his foot from the penetration of a nail. His remains were brought here on Wednesday. The grim monster is bent on making inroads on the membership of the Knights of Pythias of this place.

John McCloskey and H. N. Herberne, of Delaware, are holding forth in the garage business at Edesville. Grey's Inn wharf will be the mecca for Theatre goers all next week, as Adams Floating Theatre will be there. The cold blasts and rain this week has snubbed our truck and garden enthusiasm. Its a queer spring this.

Thompson's and Columbus Ashley's touring cars and the young people were accompanied by Mr. and Mrs. Strang, principal and assistant principal of the school. John Davis Joyner, whose death was announced last week, was the son of John E. and not Thomas E. Joyner. The men are brothers.

IN MEMORIAM

In loving remembrance of our dear daughter, Annie Louise, who departed this life 5 years ago May 25th. Had our Lord asked we would have said, Oh! Lord we love her, let her stay. The trial is hard, the pain severe. To part with one we loved so dear. But in our hearts she shall remain until we meet again. Mother and Father. Our thoughts are always wandering To the grave so far away. Where our dear Louise is lying In her peaceful and lonely grave. She is blooming in God's garden Among the lilies fair. God saw she was too good for earth. So called her home up there.

It Pays to Be Safe Don't wait until it is too late. Remember Lightning strikes and destroys millions of dollars worth of property and kills hundreds of people every year. You have no assurance that this season it may not be your turn to be struck—unless you get Shinn-Flat protection now. Shinn-Flat Prevents Lightning Losses Shinn-Flat is superior to any other form of rod or conductor, for these reasons: 1-It is woven in a flat cable, with greater carrying capacity for electricity. 2-The weave of Shinn-Flat allows for expansion and contraction. 3-The flat form permits each wire to come in contact with moist earth, giving good grounding. 4-The Shinn patented four-legged brace, with self-locking feature, holds top always in place. 5-Shinn-Flat is always installed by our licensed Dealer, whom we have instructed. 6-A cash bond issued by a large Bonding Company insures your money back if damaged by Lightning.
