Ladies and Gentlemen: The election campaign for the fall of 1921, has about drawn to its close. Since the date of my candidacy for the office of Clerk of the Circuit Court to the present time, I have endeavored to refrain from indulging in personalities regarding my opponent, Mr. Rasin, in this I have succeeded, as will be corroborated by an absence of any such statements in the paper, and by every person with whom I have talked. A reward of \$250 will be I can truthfully say that I have not an unkind nature against him and shall sons that broke into the review of my campaign I can proudly I concede that Mr. Rasin has been efficient in the performance of the duties of the office of Clerk of the Circuit Court. So were Mr. Dixon, Dr. Fisher and Dr. Beck, all Democrats and all capable, competent, courteous gentlemen and also efficient in the performance of their duties. I have no grievance against Mr.Rasin, neither have I ever possessed onc. Because ical campaign forms no basis for my indulging in personalities. I am preciative for the regard that M. Rasin had for me prior to the announcement of my candidacy for office and which was very explicitly expressed in the letter from him, which I published in last week's issue of this ence in republishing again this week (in another column) which you have entertained my can-
