Masons Buy Building

The Masonic Lodge of Centerville purchased last week from the Board of Education of Queen Anne's county the old frame hotel building, on North Commerce street. Possession of this building will be given on the first of 1923 and very shortly thereafter the lodge expects to begin building operations. A fine structure, two stories in height will be erected and this will possibly be of stone. The lodge will have its quarters on the second floor and the lower floor will be devoted to offices. It is probable that the Board of Education will occupy part of the building.

BETTERTON SEASON OPENS

The current season at Betterton is progressing in great array; happy throngs over the week-end opened local activities sooner than in previous years and emphasized the pleasures of nature's wonderful scenery of the expansive Chesapeake bay as being quite worth the while in spring as well as midsummer. Numerous tourists from Ohio, Pennsylvania, New Jersey and nearby Delaware have found Betterton a charming stopover in their motoring along the Eastern Shore, prompting the hotels and local boarding houses to prepare earlier than expected.

Dansants and other social functions have been nightly in vogue, during the day joyous fishing and canoeing parties hold sway. Many Jersey followers of old Isaac Walton, the early fishing marvel, have been frequently noted bringing in large catches of rockfish and the delicious well-known perch that are here in great abundance this year. A casual pastime for the children, when the air is too chilly for bathing on the gravel beach, is pony riding over the surrounding country roads, and the little beasts of burden enjoy the romping about as much as do their small charges out getting their general coat of sunburn, whether from frolicking in the water or playing on land.

The last week has been particularly active with a very interesting bowling tournament of champions. Individual prowess of each bowler is being ardently discussed as their competitive scores are rolled up, so some real wonders will no doubt be developed. The local realty conditions are still as stringent as elsewhere, agents reporting great demand for summer and early fall accommodations.

IN MEMORIAM

In sad but loving remembrance of our dear husband and father, who departed this life one year ago June 28th, 1921.

I never knew the pain you bore, I did not see you die, I only knew you passed away Without telling us good by. One year has passed since I saw your dear face, And heard your sweet voice, In my home circle.

By Devoted Wife. No care is on his brow, Oh, blame us not for weeping For we have no father now. By his little daughter and son, Fannie and Glenville.

Rest on dear father thy labor's o'er, Thy willing hands will toil no more. A faithful father, both true and kind, A truer father you could not find. From this world of pain and sorrow To the land of peace and rest, God has taken you dear father Where you have found eternal rest. Daughter Mildred.
