Notice of Redemption of 4 Victory Bonds DECEMBER 15, 1922

We have just received a notice from the Secretary of the United States Treasury that all of the 4% Victory Notes, which bear the distinctive letters, A, B, C, D, E, and F prefixed to their serial number, will be called for redemption on December 15th, 1922.

Interest on all the above 4% Victory Notes thus called for redemption will cease on said redemption date, December 15th, 1922.

The balance of the Victory Notes bearing the distinctive letters G, H, I, J, K, or L, prefixed to their serial number will not, in any manner, be affected by this call for redemption and will become due and payable May 15th, 1923, according to their terms.

We would therefore call your attention to those holding Victory Notes up to and including letter F that no interest will be paid on these bonds after December 15th.

Any of our friends who desire to cash in their bonds before Dec. 15th, 1922, this Bank will be very glad to dispose of them at market value less usual brokerage fee, etc with accrued interest from their last interest date.

THE FARMER AND HIS BANKER

Our Bank never fails to give as good service to the Farmer as it gives to any business man. As a matter of fact few banks could exist in this day and age of the world without the co-operation of the farmer.

It will pay every farmer to carry a checking account with this Bank.

Our Burglar proof vault, together with conservative management, makes our Bank an absolutely safe place for your money.

Accounts may be opened by mail and monies withdrawn in this way with equal facility. The rural mail route solves the problem.

It is not always necessary to come to the Bank to do your banking.

4 PER CENT INTEREST ON ALL SAVINGS ACCOUNTS 4

OUR MOTTO: "Safety Beyond All Else."

This Bank was the first Bank in Kent County ever known to pay interest on deposits.

THE CITIZENS BANK OF Chestertown, Md. EVERYBODY TREATED ALIKE This Bank Pays 4 Per Cent. Interest On All Savings Deposits

If you deposit it on the 12th day of the month you get 18 days interest if you draw it out on the 30th day of the same month. If you deposit your Savings Account on the 18th day of the month it draws interest from the 18th day of the same month and does not lie idle for 12 days and then for another calendar month before interest begins. Nor does it have to remain four calendar months in bank before interest is allowed.

Your interest is accumulating all the time, and is compounded semi-annually, while your money lies in the bank. On the first days of June and December, we pay you interest and add it to your account or you draw it in cash. You thus get compounded interest semi-annually on your Savings Deposits.

WE ENCOURAGE SAVING SMALL AMOUNTS. If you deposit \$1 it draws interest. It is not too difficult for us to calculate interest on small sums. WHEN INTEREST AMOUNTS TO ONE CENT YOU GET IT. Does any other bank offer you these inducements?
