The City Extension Question.

Baltimore city on the city extension ques- property and if this bill is adopted one of the right to vote upon the question.

Representative Rayner, the representative of the fourth Maryland district in Con- determining. gress, has gained a most enviable notoriety by his efforts in behalf of the striking miners of Pennsylvania. The labor interests throughout the country will regard him as one of its ablest and most zealous champions. In the House last Wednesday he ed by a stock company who keep it in reled the opposition to the report of the commerce committee to refer the investigation of the Reading strike to the interstate commerce commission, and amid storms of ap- to the people of the two counties is it obplause upon the floor as well as in the galleries, induced the House by the vigor of his appeal to reject the majority report and adopt the views of the minority. Mr. Ray- bridge frequently, and are required to pay ner was the hero of the hour, and members from both sides of the House flocked around him and presented their congratulations. He was selected as chairman of the select committee, but declined to accept it, stating are strong reasons why this bridge should that he could not leave Washington at this

Petitions are in circulation asking the Legislature of Maryland to provide by appropriation for the erection of monuments on the battlefield of Gettysburg, designating the position of the several Maryland organizations in that the most important battle of modern times.
