CHESTERTOWN:

DEMOCRATIC TICKET. -----

FOR PRESIDENT

GROVER CLEVELAND, Of New York. FOR VICE PRESIDENT:

ALLEN G. THURMAN, Presidential Electors at Large:

JAMES HODGES, | HENRY PAGE. District Electors: 1. W. SCOTT ROBERTS. |4. I. GORMAN MOALE, 2. James G. Berret, 5. Robert C. Coombs.

FOR CONGRESS: HON. CHARLES H. GIBSON, OF TALBOT COUNTY.

Hon. Samuel J. Randall was removed from Washington last Saturday to Castenea, Pa., not far from Philadelphia, and the change has been highly beneficial to his health. He says he is sure now to recover rapidly.

Mr. Blaine sailed for America on Wednesday on the new fast steamer New York and is expected to reach New York harbor on Tuesday or Wednesday next. He is to have a grand reception by Republican clubs from various parts of the country.

The democratic campaign was opened in Maryland on Friday evening of last week with a grand demonstration at Hagerstown, speeches. The demonstration was the first in the movement to break the republican control in the sixth district and to send Col. H. Kyd Douglas to Congress.

Senator Blair has introduced a bill the United States Senate, at the request the Federation of Labor, to prohibit "the importation of an alien or foreign laborer, mechanic, artist or artisan under agreement to perform labor." It seems that the most highly protected industries in this country import the cheapest labor that can be obtained abroad to supplant home mechanics and laborers while at the same time professing that the tariff enables them to pay better wages to American workers.
