AT BOTTOM PRICES.

RTOWN, MARYLAND: SATURDAY, AUG. 2, 1890.

LOWEST --

We sell the best-fitting, the best-wearing and the most reliable clothing in the United States; we carry double the stock of any store in the South, and our prices we guarantee to be from 20 to 25 per cent. below the market. Our FIVE DOLLAR SUITS sell for seven and eight everywhere, our EIGHT and TEN DOLLAR SUITS cannot be matched for a couple of dollars more by any store in the State; and our TWELVE, FIFTEEN and EIGHTEEN DOLLAR SUITS are the equal of made-to-order suits that cost double. No matter what you

want in the line of clothing, it's dollars and cents to buy it here.

PRICES

## Under New Management!

A HUMAN DIVINING ROD.

When Near Minerals. "I read an article entitled 'The Divining Rod,' with considerable interest," said Mr. a chicken. And if I ever again see any of the Bulldozer family heading for our front John Homles, of South McAlister, I. T., hanging off the platform, and, while every man had a revolver on his hip, no one "especially as I am myself gifted with the had thought of shooting at that rag. It Making a Man Crawfish.

When five or six men get together and begin to tell stories there is always more

Making a Man Crawfish.

The phenominal powers of which the article treats. My first experience with this power was thirty-two years ago, when I was a boy of ten years, and it is not likely to be ever forgotten by me. I was sent by my father one day to look for some stock, and as I was crossing a mountain not far from my father one day to some stock, and as I laugh over the failure.

Was a not day, and we were smoking and talking, when a native came up the track and sat down with the rest of us. Present-ly he out with a big revolver and aimed at the rag and pulled trigger. The cartridge didn't explode and there was a general laugh over the failure. only casual acquaintances. Going down my body, something like an electric cur-

when I was not even consulted in the There was a man from Syracuse who laid time in getting back home, and for months some low, and we had fusiladed for five matter!

How I ever got over my diffidence enough to fall in love with Laura Bulldozer I don't know. Perhaps it was owing to the off-repeated advice just mentioned, and may be it was because she and her mother developed a sudden and strong interest in developed a sudden and strong interest in the laura bulldozer in the ship which was carry-ing me to India was burned off the island developed a sudden and strong interest in the laura bulldozer in the ship which was carry-ing me to India was burned off the island developed a sudden and strong interest in the laura bulldozer in the strong back home, and for months afterward I could not be prevailed on to go near that mountain. Two years later a rich vein of copper was discovered on the mountains where I had my first experience with the mysterious power. The superstitious people of the neighborhood loved to relate my adventure, they believing that

"This power, for which I know no name, seemed to develop in me with years, until became so accustomed to it that I paid I became aware of the fact that I was, so to speak, a living mineral rod. Since that time, however, I have experimented with and made a study of this gift of nature, and

minerals or water. Singularly enough, in ed by the first arrival, and they got a long the twig of hazel or peach as a surveyor without his transit. I may walk over the ground and feel the current all through my body, yet without the indicator I am the mineral. But the hazel twig has never failed to locate even a coin or piece of metal hidden by parties desiring to test the powers of the divining rod. "About a year ago my work was so sit-

The Mule in the Brush. Opposite a little railroad station about five miles below Jackson, Miss., was a dense thicket, and on one of the bushes hung a white rag. A dozen of us sat with our feet Everybody out with his gun and began

there was his mule, down on his back and kicking his last, with four or five bullets "You dun didn't mean to, of co's," said the owner, "but this mewl was all I had. I don't say he was wuth what a prime mewl orter fetch, but I could hev sold him He was informed that we would make up a purse to pay the damages, and we

start when a third native appeared and "Bin any shutin' yere?" "Shute at that ar' rag?"

"Kill a mewl?"

Yes. Do you know anything about it?" uated that I had to walk about one mile to | Wheezen about an hour ago fur \$10, and I "No, not much. I sold the animal to the on the road I always felt the electric cur- the old dodge with. How much did you "Wall, that's purty moderate. He giner-

NEGRO AND CATFISH. often been asked why I do not cast my lot A Colored Citizen Kills a Monster Missis-Bill Anderson is a negro of chocolate hue, ceed. Some day, however, I may take my thirty years of age, who says that his ochazel twig and seek my fortune in the cupation consists largely of "just fishing around." He fished around considerably yesterday afternoon on the falls near the Indiana shore. He was using a cast net, and about five o'clock in attempting to A cable dispatch from Paris last week he fancied it had caught on a rock. But

touching the stove. Chloride of lime was dom was almost finished before his captor at once sprinkled about the premises, and decided to adopt desperate measures. The surgeon, and she was at once carried to the instead of negro catching "cat," "cat" was tragedy is one of the most pathetic that the the net. After an exciting struggle, in world has recently listened to. The hus- which Anderson was carried several yards band's name was Hayern, and the family down stream, to the edge of a deep and is supposed to have been of a partly Jew- dangerous eddy, where he would have been surely drowned, he struck a big rock and He was a designer of dress patterns, and fortunately was able to brace himself was a relative of a well-known merchant in against it. Then he reached over and Paris of the same name. Hayern emigrated | caught hold of one of the big fins, which to New Orleans, where for a time they lived it, stabbed the fish in the head until it exvery comfortably, and where the five chil- pired. Anderson was wet to the armpits, dren were born. The children consisted of but he was also the proudest man in town.

A Question of Tests. was at last exhausted, and the landlord in- "You see," observed Dr. Slim, as he bangstructed the concierge to let them remain | ed the patient across the back of the neck until July 15, and then if their long over- with a club, "you see plainly, gentlemen, due rent were not forthcoming to turn them | that there is no organic difficulty. The out. When the 14th arrived there was no functions are natural and this is a plain case was best to be done. We dreaded the future kicking the woman a fearful lick under the of our beautiful daughters, penniless and ear. "She may not manifest it but there is the morning and late into the afternoon, "If you notice," chipped in Dr. Green. we discussed what was to be done, until dropping a hod full of bricks on the subject's finally my husband proposed that we all head, "she does not act as though she were commit suicide. To this our four elder conscious, though that may result as much children readily agreed. I was too weak from hysteria as from spinal derangement." protest even though I had been disposed to started a charcoal fire on the woman's What is the difference between a fog and said to her father that she would go to the under this treatment she kicks, it is hystea falling star? One's mist on earth and charbonnier around the corner, and coax ria. If she don't kick we find that even Why is a man called honorable who is While she was gone her father could stop "In that case my system is the one to upstairs beating his wife? He is above, up the chimney and all the crevices about employ," said Dr. Flat, running a lightning the stuffling with my handkerchief, but I What are the great astronomers? The of the charcoal. My husband did as Bertha "Under this treatment we inevitably artained it, and, returning, we carefully closed "I'm not sure but what we will have to face was so sizzling hot that the kissing of . What is thieving in the outskirts? Pick- the door, stuffed paper here and there and resort to heroic remedies," suggested Dr. the sweat chicken fat on it sounded like a tea kettle boiling over on a redhot stove. In what place did the cock crow when coal on the stove and ignited it. The chil-

pathos so deep as that to be found in the And the question now is whether she

died of hysteria or spine, with a preponderance of evidence on both sides.—Ex-
