Ideals and interest change all through life. The man of fifty smiles at the child 'rolling its hoop"—while in a different way he is doing the same—with dollars.

The wise man-the thoughtful man, however, has an objective for all his dollars. Invariably he rolls his dollars to a place where he can put them to work for him. And what better place is there than a bank?

Watch the successful men of Chestertown and you will see them coming regularly to this bank. It is well worth your while to consider this. If you spend a little less than you make-and bank the difference—soon you will have dollars to play with.

RIVER PIRATE FOUND GUILTY

J. W. "Captain Jack" Leslie, who operated on the Elk and Bohemia rivers, was convicted of larceny and possession of stolen goods in the Second Judicial Circuit Court, at Elkton, this week. The trial took about four hours and the jury returned a verdict after six hours' deliberation.

Leslie was arrested last November after a reward had been offered for capture of the person who had been robbing the summer cottages and yachts of wealthy Philadelphians and Baltimoreans along the rivers of the upper Chesapeake. In this case he was accused of robbing the cottage of A. Greer J ardinella, Philadelphia real state man. Leslie did not testify.
