PROGRAM PLANNED BY MILLINGTONIANS

Hundreds of Kent countians will probably journey to Millington today to participate in the patriotic celebration to be staged by the Community Fire Company on Independence Day.

The committee in charge of arrangements had practically concluded plans to have a flight of airplanes perform stunts flying over Millington as one of the features of the day's program.

The aerial acrobats will be led by Capt. Thomas B. Bourne, of the Maryland Aviation Service, one of the flyers in the recent Sealed Orders Test, and who owns a farm near Crumpton.

Other features on the program will be a big parade of decorated cars and floats, beginning at 10:30 o'clock Saturday morning, followed by two baseball games in the afternoon. There also will be other athletic events.

Silver loving cups will be awarded the two best decorated floats in line, and a similar prize also will be given for the best comic in the parade.

Citizens of Millington are making extensive plans for the affair, and committees from the Community Fire Company are co-operating. The Millington celebration is the only one scheduled in this section of the State this year, and a record-breaking crowd is expected in the parade.

Kills Huge Black Snake

Master Otto Capel, son of Mr. and Mrs. Otto Capel, of near Starr, killed a huge black snake one day last week that was found curled up in a hen's nest. It was later discovered that the snake had killed the hen which was sitting on the nest and swallowed the eggs. When opened, the snake's body contained thirteen hen eggs and a rubber ball. The reptile measured six feet in length and was five inches in diameter.

Will Needles while shoveling gravel in a bank near Chestertown was startled when a big black snake came tumbling down at his feet. He killed him and found him to be over five feet long.
