# WASHINGTON COLLEGE

Considered For Erection Of Additional Dormitory.

The fall term at Washington College opened with prospects for the most successful year in the history rolled in the freshmen class number enrollment of several years ago. This year the total enrollment will be close to the 200-mark.

President Titsworth, addressing the student body at the opening chapel tate of Joseph H. Lewis, deceased, exercises, expressed his gratification filed Bond, same examined and apat the large enrollment of new stu- He named Clarence M. # Why Gum-Dipping is so Important to Car Owners

MUM-DIPPING—the Firestone extra Process builds into tires extra quality by impregnating and insulating every fiber of every cord with rubber.

This exclusive method is carried out in special Gum-Dipping plants, after which the cords are put through the usual calendering process.

By this method, added strength and flexibility are imparted to the cords, making Gum-Dipped Balloons most serviceable and enduring over rough roads.

Save money—buy Gum-Dipped Balloons now—while prices are low. The Mark
