MT. VERNON BANQUET & DANCE
The annual banquet of the Mt. Vernon Literary Society, of Washington College, was held in the cafeteria of the college Friday night. State Senator Joseph Allen Coad, of St. Mary's county was the principal speaker. Alumni from Philadelphia, Wilmington, Baltimore and the Delmarva Peninsula were present. The address of Senator Coad was a splendid effort and showed him to be one of the most accomplished and best speakers in the Maryland Legislature.
William B. Usilton, 3rd, past president of the Mt. Vernon Society, was the toastmaster. President Paul E. Titsworth of the college and Dean J. S. Wm. Jones and State Senator S. Scott Beck made addresses. President Jerome Frampton, of the society, opened the meeting with an address and introduced the toastmaster.
The dinner was followed by the Washington's Birthday ball staged by the cottoil club of the college in the gymnasium. The dance was directed by President James P. Marvel. Other officers in charge were William B. Usilton, 3rd, vice-president; Walter T. Morris, secretary; G. Irvin Coulbourn, treasurer; Franklin K. Cooper, junior representative, and W. Kennon Parrin, sophomore representative.
Patronesses were Senator and Mrs. S. Scott Beck, Senator and Mrs. Dudley G. Roe, Judge and Mrs. Lewin W. Wickes, Dr. and Mrs. Paul E. Titsworth, Dean J. S. Wm. Jones, Dr. J. Roy Micon, Mr. and Mrs. J. Thomas Kibler, Mr. and Mrs. William B. Usilton, Mr. and Mrs. Thimas W. Perkins, Mr. and Mrs. Frank V. Simpers, Mr. and Mrs. Benjamin A. Johnson, and Dean Genevieve Boland, Senator and Mrs. J. Allen Coad, of St. Mary's county, and Mr. and Mrs. John I. Coulbourn, of Philadelphia, also acted as patrons.
Mr. and Mrs. William Frazier Russell, Jr., gave a delightful bridge party Wednesday night at their home on Washington avenue. Among the guests were Dr. and Mrs. George H. Dana, Dr. Thomas H. Fowler, Miss Louise Russell, Mr. and Mrs. Bonwill Dukes, Mr. and Mrs. Norman Cooper and Mr. and Mrs. Ringgold Strong.

MILLION DOLLAR ROAD MEETING
Over 100 citizens met in the Chestertown Court House Saturday and voted to bond the county for \$1,000,000 and to use that amount for the immediate construction of about 50 miles of hard surfaced roads in the county. The proposal Saturday was to submit the issue to the Legislature without a referendum. Petitions are being circulated throughout the county to be signed by those in favor of the steps taken at Saturday's meeting. It is understood that a large percentage of the taxpayers must sign the petition before all the Kent delegation to the Legislature will give it support.
The county assessment will be increased to pay the interest on the bonds. It is estimated that the increase the first year will be about 28 cents and will be reduced each year as the bonds are paid.
The meeting was called to order by Dr. Paul E. Titsworth, president of the Chamber of Commerce. Harry Willis, chairman of the committee appointed at the previous meeting to interview the Maryland State Roads Commission, made a favorable report. The Commission, he said, was entirely willing to turn over Kent's yearly share of roads money each year toward the payment off of the debt. This amount has been around \$80,000 a year and it is estimated that it will be larger in coming years. Since the meeting Saturday the State Roads Commission has given its consent to the proposal in writing. The interest is to be paid each year by local taxation.

KENT AHEAD IN SCHOOL PUPILS
Kent leads all Maryland counties in the ratio of enrollment in white high schools and elementary schools combined for the school session 1927-28. In other words a greater percentage of Kent county school children are continuing in high school than in any other county.
Kent's percentage is 23.46, much better than the average for the whole State which is 15.50 per cent. Kent, too, is ahead of the Nation's average which is around 21 per cent.
In the figures recently released by the State Department of Education another interesting thing is disclosed. The nine Eastern Shore counties are the nine highest in the State. Kent is first and Cecil is ninth and the other counties of the Peninsula range in between.

H. B. DERRICK GIVEN SILVER
One of the interesting surprise features of the 4-H Calf Club banquet last Friday night in Chestertown was a gift to County Agent H. B. Derrick. Norman E. Pennington presided as toastmaster with skill and during the program called upon Walter T. Morris, president of the Club, to make a presentation of a nest of silver plates to Mr. Derrick. Mr. Morris expressed the appreciation of the Club for the valuable services of Mr. Derrick and regretted his removal from Kent. Mr. Derrick responded in his usual happy manner.

MRS RICHARD LOCKWOOD'S LARGE FORTUNE
The will of Mrs. Richard Lockwood, of Georgetown, who died several weeks ago, was admitted to probate in the Orphans' Court here on Tuesday, and distributes a large and valuable estate among relatives, Richard Lockwood, husband of the testatrix, is bequeathed the entire estate, consisting of farm lands, cash and securities, during his lifetime.
At his death, W. Holt Woodall, Sr., a nephew, of Galena, is left the Kennedy farm near Kennedyville, two tracts of woodland in the upper section of the county, the home of the testatrix in Georgetown, together with the Hamilton property adjoining, and 16 per cent of the net income from certain residues of the estate, all of which at his death goes to his widow and then to their children in fee simple. The testatrix requests that Mr. Woodall and family make their home in the Georgetown home. To Herman McCauley and wife, of Galena, are bequeathed the Jester property and other considerations.
The will contains the following bequests: To Lucy Harris, a servant, \$500; Norman L. Riggan and wife, and at their death to their children, net income from certain residues of the estate; 12 per cent of certain residue to Mrs. Mamie S. Baker, of Syracuse, N. Y.; 12 per cent to the children of Walter R. Woodall; 12 per cent to Elizabeth Woodall, Joseph Woodall, Louise Woodall, and Adele Woodall, children of Edward B. Woodall, uncle of the testatrix; 6 per cent of certain residues of the estate is left to the trustees of Union Hospital, Elkton.
A certain amount of the residue of the estate is to be deposited in the savings fund of the Galena Bank, one-half of the interest from which goes to the trustees of Westminster Presbyterian Church, Georgetown for the upkeep of the church yard and burying ground, while the remaining half goes to the trustees of Olivet M. E. Church, Galena, for the same purpose. Richard Lockwood, husband of the testatrix, is named executor of the estate without bond, and in the event of his death S. Herman McCauley becomes executor and trustee for the final settlement and distribution of the estate.

STARR PACKING PLANT SOLD
Tomato growers of Starr neighborhood were elated Tuesday to learn that the large cannery at that place had been purchased by James E. Noble and Kenneth V. Corkran, of Caroline County. The plant was sold at public auction by T. Alan Goldsborough, assignee, under the mortgage foreclosure proceedings. The purchase price was \$3,010. For a number of years the cannery provided a profitable outlet for tomatoes grown throughout a large territory. Though no definite announcement has yet been made, it is assumed that the new owners will probably operate the plant this summer.

339,000,000 INVOLVED
Four Marylanders were included in a list of more than 1000 heirs of John Nicholas Emrick, one-time partner of John Jacob Astor, in a suit filed Tuesday in the U. S. District Court, in New York City, for the recovery of \$39,000,000.
A deed of trust and partnership agreement, alleged to have been made between Astor and Emrick in 1816 for the disposition of lands and money in New York and Philadelphia, is the basis for the suit. A year ago a similar suit was dismissed in the New York Federal Court on the grounds that the petition was for the beneficiaries and not for the heirs at law of John Nicholas Emrick.
Marylanders included, it was stated in the petition are Thomas L. Ashley, William O. Ashley, Owen G. Ashley Prince, of Baltimore, and the Eastern Shore. They are great-grandchildren of Anne Emrick Ashley, a sister of John Nicholas Emrick, who died at Rock Hall, Md., and was buried there in 1814.
She was the wife of David Ashley of Rock Hall, and the ancestor of the Maryland heirs participating in the suit.

Sutton has been a member of Maryland's judging team at Madison Square Garden, New York City in 1927, and Frank Sutton was a member of the State's dairy cattle judging team at Memphis, Tenn., last summer.

Andrew Downie, who two weeks ago sold his circus to Charles Sparks on Monday bought back the entire outfit and will, as predicted, continue in the circus business.

JARMAN MADE MANAGER
Announcement has been made by Harter B. Hull of the appointment of Gilbert A. Jarman as general manager of the Harter B. Hull Company, distributor of Dodge Brothers cars and trucks and Plymouth dealers at 301 West Twenty-ninth street, Baltimore, and the appointment of Otis Tower as general sales manager.
Mr. Jarman has a record of fifteen years' continuous service in Baltimore in the sales of Dodge Brothers cars, having been associated with Dodge distributors since the first car of this make was produced in 1914. He is said to have sold several thousand Dodge cars to Baltimore people. For two years he has served as sales manager of passenger cars, and more lately, of both cars and trucks. He is the son of Dr. G. Allen Jarman and wife, of Chestertown.

GREAT GAMES OF BASKET BALL
Tom Kibler's Washington College "Flying Pentagon" basket ball team did itself proud on Wednesday night last when it defeated the Mt. St. Mary's team by score of 37 to 21. This is the first time Washington has defeated Mt. St. Mary's on the latter's home floor for five years. It was a great victory and all the fans at home and abroad are showering the Washington College boys with congratulations. One well known Chestertown fan promised the team a turkey dinner if they won and says he is ready to make good after the season is over.
Coach Kibler was one proud man after the game and had a right to be so.
Every man on the team—Captain Carrington, Giraitis, Usilton, Dopson and Jacobs—played a splendid game.
The first half was 13 to 8, but when the second half began the Washington boys opened up a passing game that bewildered Mt. St. Mary's and soon put the game "on ice."
Two minutes before the end of the game Coach Kibler put in his whole second team. Giraitis was high scorer with 14 points.
The Baltimore Sun says: The Washington College basketball team, by displaying some of the smoothest floor work seen here for some time, defeated Mt. St. Mary's squad here tonight by a score of 37 to 21. Giraitis and Carrington were especially brilliant in the visiting forward positions, while Usilton played splendidly at center.
Despite desperate efforts on the part of Mt. St. Mary's, the visitors not only gained the upper hand but held it in a manner that proved their supremacy.
The locals were handuffed in the first half, one field goal and six foul shots being the sum total of their activities.
Washington, in the meantime, galloped out in front to lead by a count of 13 to 8 at the half-way mark, and by this time they had become warmed up to their work and proceeded to score almost at will in the last half.
Tonight is the big game of the year when Washington will play Loyola here. Needless to say a packed house will be on hand to see these two teams battle.
The Washington College basket ball team laid a barrage of baskets across the defenses of Baltimore University here Saturday night and all but blasted the visitors from the court. After the Shoreman had passed and shot until their adversaries were dizzy from trying to follow the progress of the ball, the score stood 71 to 27 in favor of the home team.
Jacobs, the guard, indulged in a scoring spree that carried his total to 23, a mark which ranks with the best individual performances of the season. He ranged all over the court from his position to count nine times from the floor and five out of eight attempts from the foul line.
Giraitis and Carrington, the forwards, were other leading point scorers for the home team. Jules Diehl was the only invader able to make any progress through the Kibler defense. He counted six baskets.
Washington's regulars were replaced near the end of the first half. They returned at the start of the second half and until they went out at the middle of the period, Baltimore did not score a point. Against the second team the visitors managed to make a trifling impression, but at that time they were hopelessly outclassed.
Score by halves:
Washington 28 43-71
Baltimore U. 8 19-27
The Washington College team was composed of Carrington, f.; Giraitis, f.; Usilton, c.; Jacobs, g.; Dopson, g.; The substitutions were Alexander, f.; and Stevens, c. Watson was the referee.
