Fire Co. Band Selects Uniforms

A gold colored uniform with red trimming was selected Tuesday night by the Chestertown Volunteer Fire Company band. The uniforms will be purchased from a Philadelphia firm whose agent took the measurements of the members of the local organization. The uniforms will be available by April 20. The greater part of the money for the uniforms has been raised by the Booster Club. The remaining part will be paid by the fire company and future concerts will reimburse the parent organization. Each member of the band will sign an agreement with the band to continue as a member and attend practices regularly. The agreement states that the uniform will remain the property of the band and that it may be recalled at any time for breach of the agreement.

FOR SALE
A good second-hand New Idea spreader. This spreader has been reconditioned and will guarantee to give satisfaction. Will sell cheap on easy terms.
W. A. Hyland, Galena. 29mar-3t.

WHERE HOGANS WAS KILLED
A Baltimore salesman is dead, and a Centerville mother and son are suffering serious injuries as a result of a collision between an automobile and a motor truck on the Centerville-Church Hill road, four miles from Centerville Friday afternoon. The crash occurred at about the same spot where Carroll Hogans, of Chestertown, was killed, and two other Chestertown youths were injured in an automobile upset on March 10.

FINAL NOTICE
KENT COUNTY TREASURER'S SPECIAL NOTICE TO DELINQUENT TAX PAYERS.

The property or properties on which taxes are unpaid after April 1st, 1930, will be advertised and sold according to law. The cost of advertising and other expenses will be added.
We urge every delinquent taxpayer to take notice and save this extra expense by paying their taxes promptly.
CLARENCE NEWSOME,
29m12t Treasurer.

SHORE EDUCATORS MEET IN KENT

An annual regional conference of high school principals under the auspices of the State Department of Education and directed by Prof. E. Clarke Fontaine, State Supervisor of High Schools, was held at the Chestertown High School Wednesday. Superintendents from Cecil, Kent, Queen Anne's, Caroline and Talbot counties and the principals of this area attended the meeting.

Mr. Fontaine sounded the keynote of the conference, which centered about the "current problems of present-day secondary education," by asserting that the situation in Maryland was particularly acute because the State has more small high schools in proportion to population than most states. In seventy per cent. of high schools in Maryland, Mr. Fontaine said, there are one hundred pupils or less. The small high schools, Mr. Fontaine pointed out, do not have an enrollment and teaching corps sufficient to permit them to offer elective courses, industrial, trade and vocational to suit the needs and capacities of a majority of pupils attending.

"The per capita cost would prohibit adaptation of curricula to various needs of the student bodies," Mr. Fontaine asserted. The State board, he said, is not approving opening of any new high schools unless transportation routes are impracticable to high schools already established. Leading discussions on the various topics on the programs were the following principals: Miss Lelia M. Ware, Galena High; Douglas M. Bivens, North East High; J. Fred Stevens, Stevensville High; Benjamin C. Willis, Denton High; A. C. Norstedt, Easton High; and Marlin U. Zimmerman, Rising Sun High.

The following superintendents were present: Howard T. Ruhl, Cecil county; L. C. Robinson, Kent county; T. E. Bennett, Queen Anne's county; E. M. Noble, Caroline county; and E. W. Pruitt, Talbot county. Taking part in the various discussions were Dr. Albert S. Cook, State Superintendent of Maryland schools; Dr. W. J. Holloway, Principal of Salisbury Normal School; and Dr. Frederick G. Livingood, Head of the Department of Education at Washington College. The principals who attended the conference were:

ANOTHER ACCIDENT
The regular meeting of the Del-Mar-Va Chiropractors Association was held at Easton on Wednesday afternoon and evening with Dr. Theodore Tobin as host.

The meeting was called to order at 4 o'clock by Dr. Robert Weygand of Cambridge, who has been president of the organization for two years. After routine business the annual election of officers was held and the following members were unanimously elected: Dr. Justin C. Wood of Salisbury, President; Dr. Floyd Brougher of Dover, Vice President; Dr. Theodore Tobin of Easton, Treasurer; Dr. Robert Weygand of Cambridge, Secretary.

After temporary adjournment for supper the members were again assembled for the study of several interesting and helpful papers. A three hour study and review of "The Careful Examination of the Heart and Lungs" was then presented and proved thoroughly helpful to members attending.

Dr. Moyer of Chestertown was then elected as delegate to the convention to be held April 25 and 27 at Hagerstown, Md.

An addition is being made to the Voshell House on the High Street side for larger quarters to be used as a Health Center. This will include offices of the Deputy State Health Officer, offices for county nurses, clinical rooms and headquarters for the Kent County Public Health Association. Ground has been broken and work is advancing rapidly. The Pennington Construction Co. are doing the work.

Bay Bridge Com. To Meet April 2

Governor Ritchie announced Monday that word of acceptance of membership had been received from all appointees and that he would call a meeting of the State Bay Bridge Commission for April 2. The purpose of the meeting, which will be held in the Governor's office in the Union Trust Building at 2 P. M. is to draft plans for the organization of the investigating body. B. Howell Griswold, Jr., chairman of the commission will be instructed to notify the members of the meeting, the Governor said.

A plan to have a committee appointed by the Baltimore Association of Commerce to study the bay bridge project and the Statebody co-operate will also be discussed. Donald Symington, chairman of the associations committee, is a member of the State commission also. The committee, headed by Mr. Symington, was asked to investigate the proposed span in its effect commercially on Baltimore. The State commission will undertake the study of the \$10,000,000 project with a view to recommending the plan which should be undertaken by the State in co-operation with private capital, by the State alone in the event private capital withdraws, or to suggest the best and soundest method of State aid or State financing.

"SAXON FARM" SOLD
Samuel M. Robinson, of Orlando, Fla., has sold to Roger B. Harris, agent for Henry W. Catlin, Esq., the "Saxon Farm" for \$12,000. This farm contains 167 acres and is situated on the road between the purchase by Mr. Catlin of about 1,800 acres in Kennard's Point Neck. We suggest the tract be called "Catlin Manor."

UNAVOIDABLE ACCIDENT
S. Charles Walls, coroner for Queen Anne's County on Tuesday held the inquest into the death of Carroll Hogans of Chestertown, who was killed in an automobile accident four miles from Centerville on the Centerville-Church Hill road, March 10.

The inquest was postponed twice on account of the absence of Jesse and John Haddaway, who were with the Hogans boy at the time of the accident, and who have been in Emergency Hospital, Easton, with serious injuries. Jesse Haddaway, driver of the car, was able to leave the hospital last week, and was present when the inquest was called for the second time Tuesday morning. John Haddaway, a cousin, however, who was also in the accident was more seriously hurt and left the hospital Thursday. The inquest was held in Centerville Court House, and a verdict of unavoidable accident rendered.

DEL-MAR-VA CHIROPRACTORS
The regular meeting of the Del-Mar-Va Chiropractors Association was held at Easton on Wednesday afternoon and evening with Dr. Theodore Tobin as host.

The meeting was called to order at 4 o'clock by Dr. Robert Weygand of Cambridge, who has been president of the organization for two years. After routine business the annual election of officers was held and the following members were unanimously elected: Dr. Justin C. Wood of Salisbury, President; Dr. Floyd Brougher of Dover, Vice President; Dr. Theodore Tobin of Easton, Treasurer; Dr. Robert Weygand of Cambridge, Secretary.

After temporary adjournment for supper the members were again assembled for the study of several interesting and helpful papers. A three hour study and review of "The Careful Examination of the Heart and Lungs" was then presented and proved thoroughly helpful to members attending.

Dr. Moyer of Chestertown was then elected as delegate to the convention to be held April 25 and 27 at Hagerstown, Md.

An addition is being made to the Voshell House on the High Street side for larger quarters to be used as a Health Center. This will include offices of the Deputy State Health Officer, offices for county nurses, clinical rooms and headquarters for the Kent County Public Health Association. Ground has been broken and work is advancing rapidly. The Pennington Construction Co. are doing the work.

GOLF MEETING AT DOVER

The Eastern Shore Golf Association held its first meeting of the year on Wednesday last at Dover, Del. The members of the association are Chestertown, Dover, Salisbury and Rehoboth.

The Chestertown Yacht and Country Club was represented by James G. and Broune Metcalfe, Don Falls, Roland Corey, J. W. Stenger, Stephen R. and Richard H. Collins, Ellis Clarke, Claude Truslow, Dr. J. C. Hughes, and Ernest Strong. Dr. A. B. Burris of Salisbury, was elected President of the association and Claude Truslow, of Chestertown, the vice-president. It was decided to make the same schedule as last year, but each club to have 12 instead of 8 members in the tournament.

SUIT SETTLED
The Money-Crowding insurance case which has been in dispute for some weeks has been settled. The Farm Bureau Insurance Co. settled the \$5,000 claim by payment of damage to car and \$1,000 to Mrs. J. E. Crowding, wife of deceased man.

MILEAGE TO BALTIMORE
The following interesting table will show the distance between Eastern Shore towns and Baltimore via four different routes:

	via	via	via	via
	Kent	Clai-	Bay	
From	Elkton	Island	borne	Bridge
Elkton	53	107	122	79
Chestertown	92	68	102	32
Centerville	108	52	86	48
Easton	130	65	64	70
Denton	116	65	80	64
Cambridge	149	95	94	97
Salisbury	154	117	116	114
Snow Hill	172	135	134	132
Crisfield	212	175	174	172
Middleton	68	99	133	63
Dover	94	84	106	65
Rehoboth	136	115	128	104
Laurel	141	103	102	101
Ocean City	185	149	148	146

TO MEET ON MAY 8
The Women's United Democratic Clubs of Maryland will meet in Chestertown on Thursday, May 8.

There are about 175 members of this organization in Kent County and Mrs. Charles W. Whaland, of Chestertown is the Eastern Shore Chairman of the organization. Governor Albert C. Ritchie will be present.

The speaking will take place in the Chestertown court house and the luncheon will be served in Emmanuel P. E. Parish House by the Ladies Guild.

KENT CHORAL SOCIETY TO GIVE CONCERT IN EASTON
The Euterpean Choral Society is sponsoring a sacred concert to be given in the New Theater on Sunday afternoon, March 30. Easter Sunday the Kent County Musical Society Mrs. Cleveland Smith directing, gave a splendid concert in Chestertown.

Many Talbot County people are very anxious to hear this concert and the Euterpean Choral Society has been successful in having the Kent County chorus, together with the Washington College double quartet and the Washington College orchestra, give the same program on the 30th that was given at Chestertown last Sunday.

One of the features of this concert was the cantata "Penitence, Pardon and Peace," with its beautiful tableaux, directed by Dr. W. R. Ferris. Mrs. Cleveland Smith will direct the rest of the program, for which there will be no admission charged, but a collection will be taken to help pay the expenses of the concert. All are invited.—Star-Democrat, Easton.

ROBBERY AT MELTIOTA
Robbers early Sunday entered the general store of William Ivens, at Meltiota, removed the hinges from the store safe and stole a pistol, seven watches and \$3 and made their escape.

One of the watches taken was of gold and six silver. In addition to the loot from the safe the robbers took six pairs of shoes and a shotgun from another part of the store. The robbery was discovered late Sunday by Mr. Ivens, who lives over the store. This store was sold to Mr. Ivens by N. Leberman, who was attacked during the winter.

Nine Song Hits In "Hit The Deck"

Appeal of "Hallelujah" Still High Spot
Nine delightful song numbers, led by the ever-compelling "Hallelujah" add much to the enjoyment local screen fans are finding in "Hit the Deck," Radio Pictures' lavish musical which shows at the New Lyceum on Friday and Saturday, April 4 and 5. Old songs and new share about equally in popularity. While "Hallelujah" and "Sometimes I'm Happy" bring memories of the sensationally successful stage show, "Keeping Myself Just for You" and "Harbor of Heart" are reminders that the screen is giving us something entirely and pleasantly different. The nine songs featured were picked as the best of eighteen made available by Vincent Youmans' original score and the contributions of Radio Pictures' composers and lyric writers. In addition there are two original spirituals offered by the negro chorus during the spectacular "Hallelujah" number.

M. E. CONFERENCE
The sixty-second annual session of the Wilmington M. E. Conference convened at Silverbrook M. E. Church at Wilmington Wednesday morning, Bishop Frederick D. Lecte, of Omaha, Neb., presiding. There are many changes slated among the pastors. It seems certain that Rev. E. M. Shockley, of North East, will be assigned to Brandywine Church, Wilmington, to which he has been called. Rev. W. G. Harris, of Elkton, has declined a call to Georgetown, Del., and will return to Elkton, unless the Bishop rules otherwise. The Conference will be in session six days.

Elsewhere in the News is an important announcement from several local grocery stores. These merchants submit prices on meats and other articles which must attract trade from the public. Farmers especially are asked to compare these lists with others.

The Raymond Concrete Pile Co., which has been engaged in driving the 256 piles for the new Chester River bridge, expects to finish their work next Wednesday. The Spencer, Prentiss and White Co., which will build the bridge proper, has already begun its work on what is to be the foundation for the draw in the new span. The bridge is expected to be ready for use by the end of next November.

ALL FOUND GUILTY
Four men were found guilty in Federal Court in Easton Thursday in their second trial on charges of conspiracy and smuggling growing out of the seizure of 1,800 cases of liquor on the coast near Ocean City last December. Thirty-four pleaded guilty when arraigned earlier in the week. Bolton and Hill were sentenced to two years each, Murtha to eighteen months and Miller to fifteen months in the Federal prison at Atlanta. Judge Morris A. Soper also sentenced thirty-four against whom like charges had been filed and who entered pleas of guilty on Monday. These sentences ranged from two to four months in jail, and parole for two years of the five youngest.

CENSUS ENUMERATORS ARE APPOINTED
The following were appointed enumerators for Kent County:
1st District—Fred C. Numbers; for towns of Millington and Galena, Hurlock H. Gale.
2nd District—Roland Comly.
3rd District—Randolph Williams.
4th District—John C. Davis.
5th District—John W. Downey for Rock Hall. George R. S. Downey for the remainder of the district.
6th District—George Lambert.
7th District—Mrs. Morgan Brown.
The work of taking census will start April 2nd and is supposed to be finished within a month from that date.

It looks as if the Swarthmore Chautauqua, which has been showing in Kent County since 1912, had made its last appearance. It is reported that the association is being disbanded and liquidating its debts. Chestertown was the first town in which the Swarthmore Association presents its Chautauqua. Last season, following a large deficit, the local guarantors failed to sign a contract for the return this season. The radio played a large part in causing the death of the Chautauqua movement.
