Many Important Measures Pending.

session for 1892 on next Monday midnight. muslin 81 cents for this week only. Take the two houses jointly it has been one of the most industrious for many years ing able and honest presiding officers. Elliot's shop near the Armstrong house. President Lloyd and Speaker Vandiver have both discharged their duties faithfully and fearlessly.

It was published in the News last week. 2049, the number being 2030. It has passed both houses and went to the

ment bill will go through both houses, including the listing system. There has been a bitter fight and some exciting scenes over this latter feature. The most strenuous opposition comes from the city members.

Senator Hepbron refused to accept the amendment of the House to his four and six year commissioner bill, and has passed and sent to the House another bill which makes the terms of all the present board two years and delegating to the next General Assembly the duty of finally regulating the commissioners term. If it passes the House a new full board will have to be elected in 1893.

The bill authorizing the county commissioners to open streets in Still Pond has been signed by the Governor.

county, has passed both houses.

The Australian ballot system to take in the exempted counties-which includes Kent-has passed both houses. The whole State has now uniform election laws. How the thing will work here we shall soon find out. It can't be worse than the old system.

A House bill proposes to increase the salaries of election supervisors to \$50 per annum and prohibit them from being candidates at the next election after their ap-
