COL. WM. J. VANNORT says he thinks that Capt. Burchinal-in his article in the in any commander now will be quickly ville yesterday and held a joint meeting column—is very unjust to his party leaders. The Colonel is refreshing his own recol- thing certain, that is, that whoever may be Chester bridge in place of Dr. George T. lection and proposes at an early day to have something to say. Will he eliminate Capt. Burchinal?

THE PEOPLE should respond to Gov. Brown's call relative to the new assessment business in the same spirit he makes it. He wants information. The people should give it. Let each of the agricultural or Hatcherson. societies of the county appoint delegates, and then let there be a county meeting of citizens generally to select representatives. It is a matter of vast importance, and the Governor is wise in moving in the matter before the law makers meet.

pended Deputy Commander Martin, of the holding Democratic measures and men. | good soil. Mr. Richardson is the owner of Folly for absence from his boat, and sent out with orders to visit all the boats of was hung, at Charlestown, West Virginia, the state fishery force and to suspend the is to be exhibited at Chicago. The Free their vessels. The Board evidently "means business," and Senator Moss will have very few sympathisers with him in his criticisms.

How Would This Do?

Once in every four years - especially when the political complexion of the National administration is changed-we have a discussion of the postoffice location in Chestertown, as being affected by the Tolchester. possible change of the postmaster. The present P. M., has given the community the best locality and as good service as ever before. But a better locality still might be secured, and we make the suggestion this early so that time could be had for the Market House, Chestertown. erecting the building if deemed advisable. Let the town bargain with the general government to furnish a proper building at a stipulated rental and then utilize the space now occupied by the old hall and engine houses for a capacious and ornamental structure in which may be accommodated the postoffice, telegraph office, express office, and town commissioners' office. The location is admirable for the purposes named and the space named could not be put to more desirable use. It will at least | Eggs ... be no harm for the town authorities to consider the matter, and if the people favor it, Good apples ... let them urge such action.

That Comet.

Well, the earth is still revolving, notwithstanding the predictions last week. The comet that was to destroy this earth never came. Many persons in Chestertown | The Gunning Season Nearing Its Close sat gazing at the sky for hours Sunday night expecting to see the monster dive down at our sphere. The midnight hour
