Lambert Sisters In Baltimore P. A. L. Meet

The Lambert sisters, Adelaide and and Katherine, merrmaids from Kent, have filed their entrance blanks for the P. A. L. Swimming meet to be held in Baltimore on Saturday of this week.

Adelaide is a world's record holder of about 15 events. Katherine is a younger sister who hopes to follow in the trail blazed by her "big sis." The girls are the daughters of Mr.

Katherine, who is a senior in the high school in Panama will leave Kent in a few weeks for the Central American region to finish her schooling. If her attempt to swim the bay is to be made it will necessarily come

within a short time. Adelaide, fresh from a record breaking performance in the North

IT PAYS TO ADVERTISE IN THE ENTERPRISE

for Economical Transportation

World's Lowest Momentale Cost

Tens of thousands of users have learned by actual comparison that Chevrolet provides the lowest ton-mile cost in the history of

the commercial car industry! This matchless economy is due to advanced modern design . . . extremely low operation and maintenance costs . . . exception. ally slow depreciation . . . and the most amazing price ever placed on a modern, gear-shift truck—a combination of economy features found in no other commercial car

Whether you operate one or many trucks, *Ton-mile cost is the cost of transporting a ton of material one mile—or its equivalent.

in the world.

come to our salesroom and learn for yourself how Chevrolet is designed and built to save you money. Go over the chassis, unit by unit. Note the advanced, modern engineering-typified by a powerful valve-inhead motor, with three-speed transmission and sturdy single-plate disc-clutch. Mark the rugged, quality construction throughout; heavy channel steel frame - massive hanjo-type rear axle - long, extra-leaved, heavy steel springs, set parallel to the frame.

Then, go for a trial load demonstration—and see how perfectly Chevrolet meets your own haulage requirements!
