## Johnston Made Kennedyville Again Pilot Of Cambridge Beaten By Cecilton

### Bill Is Kent County And Washington College Product

Bill Johnston, Galena, Kent County boy, who has been playing real base ball for Cambridge, in the Eastern Shore League ever since the league has been in existence, has been named manager of the club for the rest of the season.

Johnston is one of the best and smartest players in the Eastern Shore loop. He is a product of Washington College, having had all his early training under J. Thomas Kibler.

Johnston, for a number of years played with the Chestertown Summer team. He was a third basemen in those days and also while in college.

After joining up with the Shore leaguers he played one season in the infield and since has been shagging the flies in the left garden.

In addition to being one of the smartest players in the league he is the king base runner of all. Thrice this season he has pilfered the home station and many times has he run from first to second and even from second to third.

The Cambridge club is looking forward to coming out of the slump under the new management and can be figured on to place high in the second half of the season's schedule.

## Workboat Races Best Ever Held

### Chestertown Men Sail On Rew Brothers

With conditions perfect for sailing the Chesapeake Bay Championship Workboat Races were held last Saturday at Oxford, Md. With the Governor of Maryland, and high officials from Virginia watching the contests the best racing in the history of the workboat Association were enjoyed.

Capt. Clarence Todd, of Crisfield, sailed his bugey, the George Todd, to its fourth victory. The H. M. Rowe, Captain William C. Todd, of Deal's Island, was the first to cross the line in the schooner class.

The skipjack contest was won by the Bernice J. The Rew Brothers upon which a party of Chestertown men sailed took third place in this group. In the party from Chestertown were, Messrs. Thomas W. Perkins, Eben Perkins, J. Thomas Kibler, Philip G. Wilmer and H. Clay Brown.

Miss Cambridge won the motor boat race and Earl W. Tyler won the contest for the Smith's Island crabbing craft. The Lily May won the victory in the Hoopers Island sailing skiff class.

## Flowers Still Playing In Tough Luck

D'Arcy, Jake Flowers, seems to be in the class of jinx ball players. Injury after injury has kept him from playing the kind of ball of which he is capable and now comes the biggest blow of all.

Up until this season Flowers had confined his big league activities to St. Louis where he was an understudy for Thevenow and Hornsby. When Hornsby was traded to the Giants for Frisch and relinquished his managerial duties there was less need of a substitute. Thevenow, the leading shortstop of the league seemed in good health so Jake was sent to Brooklyn for an outfielder, much needed by the Cards.

In Brooklyn Jake has not been playing his best ball by far and the past week saw him sent to the bench because of weak hitting.

About the time this happened Tommy Thevenow broke his ankle and will be out for the rest of the season. If Jake had still been with the Cards he would have stepped into the short field position and played it in real style for a probable pennant winner, for St. Louis seems to have a fair chance to cop the flag in the National League.

## Easton Manager Resigns Position

Ted Cather, who has been managing the Easton Club in the Eastern Shore League, has tendered his resignation to the Board of Directors of the club. It is stated that he will remain at the helm until another pilot can be secured.

The reason given for the resignation of Cather is the poor showing of the Easton Club.

Cather is a former big league player. He played short stop for the Easton Club last season and was one of the stars of the league.

## Groff On Mound For Kent Nine

Cecilton again took the measure of the Kennedyville nine on Saturday when they turned in a 3 to 0 victory over the Kent team in a fast game at Cecilton.

The scoring of the contest was all done in the first inning when errors coupled with two hits brought the trio of markers across the pan. From that point on both teams played airtight ball.

"Tough" Groff, a Chestertown boy was on the mound for Kennedyville and kept his hits well scattered. The game was a tough one for him to lose. It was his first appearance on the peak for the Kennedyville nine.

Eddie Blackway, of Chestertown, and Archibald were the heavy hitting stars for Kennedyville.

Bayview will oppose the Kennedyville nine in a game at Kennedyville on Saturday.

## Quaker Neck Trims Still Pond Nine

Quaker Neck took the measure of Still Pond last Saturday in a heavy swatting affair, 14 to 5.

Bennett did the twirling for the Quaker aggregation and hay by far the best of the dual.

Andrew "Bip" Perry made his first appearance behind the bat in a number of years and caught a fine game.

The playing of the Goodman boys was the feature of the Quaker Neck team's showing. There are three of them on the nine. They are sons of ex-Sheriff Wm. R. Goodman.

## SPLASHES IN SPORTS

By H. S. ARE

Earl Smith, swatter de luxe (of ball players) gets a 30 day vacation for connecting with Dave Bancroft's chin.

He must pay \$500 for the privilege of taking the time off and will lose his salary besides.

One blow to jaw—\$1500.

That's more than Dempsey got. Earl didn't even fight in his class. He's a heavyweight.

Dave's a bantam and he wasn't even allowed a bat to even things up.

Babe Ruth, big swat and swag-gar man, is surely teaching his little playmate, Gehrig, the fine points of swatting and swagging.

Easton's manager has resigned.

It shouldn't effect the club much. They have as managers as they have stockholders, so one shouldn't cause any loss of sleep.

The Sho' loop should never suffer from loss of managers or umpires.

Every stockholder tries to run the team and every customer wants to umpire.

Bill Johnston stole home three times and was given the managership of the Cambridge club.

The Directors probably thought he would take it anyway, he having such taking ways.

## "One of the Seven"

President Coolidge, fishing with worm bait, it is said, is catching them over in Squaw Creek, Black Hills, S. Dak. Mrs. Coolidge insisted upon seeing the catch, and wasn't it natural that the President show the largest one—a rainbow trout, 1 pound, 14 ounces?

## The Quill Has gone out of Style

And in certain lines of modern business activity the letter has also disappeared

WHEN a shipment has gone astray, when a rush order is imperative, when a market is rapidly rising or falling, and each tick of the clock throws away valuable dollars, do you stop to write a lengthy business letter? Do you waste precious moments in dictation, typing, mailing, and waiting for an answer? Of course you don't. You use the long distance telephone!

But the use of long distance is not restricted to emergencies. Time is always valuable. And long distance saves time—and trouble.

And a face-to-face conversation is so much more satisfactory! Try handling important business in the up-to-date way—by long distance—

## NOW YOU CAN WAX-POLISH ALL YOUR FLOORS AND LINOLEUM

Easily—Electrically—ten times faster than by hand

Gleaming waxed floors are no longer a luxury—NOW you can have their radiant glow in every room. The new Johnson's Wax Electric Treatment makes WAX the most economical of floor finishes. This treatment takes only a few minutes—there is no hard work—no stooping or kneeling—no messy rags and pails. It won't soil or roughen your hands! And it saves you all the bother and expense of frequent refinishing.

This Johnson's Wax Electric Treatment is so easy anyone can use it. Just spread on a thin coat of Johnson's Polishing Wax with a Lamb's-wool mop. This cleans as it waxes. Then run the Johnson Electric Polisher over the floor and let ELECTRICITY do all the work. his Electric Floor Polisher is much easier to run. Than a vacuum cleaner—it glides along silently, smoothly leaving a path of beauty behind it.

It makes no difference whether the floors are old or new—of wood, linoleum, tile or composition. Nor how they are finished—with varnish, shellac, wax or paint.

You can RENT THIS ELECTRIC FLOOR POLISHER FOR \$2.00 A DAY and in just a short time give all your floors and linoleums this beautifying wax treatment.
