W. L. WILKINS,

Rock Hall, Md.

Perhaps you never realized that a Bank Book is a book of songs.

Every depositor who has one of these highly prized books in his possession can tell you that just to leaf it thru and see column after column of dollars saved makes the heart sing with joy.

A dollar starts a saving account and gets you one of these books of happiness. Every dollar saved and entered in it will add another note to your hymn of happiness.
