**ROCK HALL**  
 Long ago it was predicted that the summer of 1922 would be cold, that the pendulum—need one specify the particular pendulum—would not begin to swing back to the years of maximum heat until after that time. Well, nobody can make denial so far. We are either convinced or open to conviction. Sunday presented freakish weather—wind, rain, sunshine—sometimes all at once. Monday our people went to Chestertown where they shivered in rain while trying to see the events of the Track and Field Meet. "Trying" is right. As one young girl put it, "No one could see with all those tall students standing in front of us." Well, Rock Hall was there in strong force and the Enterprise can tell us what happened. Again Wesley Chapel Sunday School went over the two hundred mark, the attendance being 213.

The storm cut the Methodist Episcopal School to a hundred ninety-two which was really a hundred better than might have been expected. There were five visitors among them. Come often. The morning text "What Think Ye of Christ?" Matt. 22:42, was the basis of a splendid sermon by the pastor, the Rev. W. S. Grant, who preached in the evening from the threefold subject "Church-Home-Soul." The Epworth League led by Miss Ella Wirts, at seven o'clock in the evening presented a pageant, "The Service of Light," that was found very interesting by a church full of people. The prologue was followed by seven parts—The Word of God; Prayer; Christian Stewardship; Personal Evangelism; Missions; Loyalty; Service; They were two or three young people taking part, each of whom carried a candle, and a central candle was lighted to represent The Bible, Prayer, Dedication of Self, Evangelism.

Missionary Heroism, Loyalty, and Service. The musical numbers throughout the day were specially adapted to the various services. Several ladies of the M. E. Church visited the hall last Thursday evening during the rehearsal of the band and served lemonade and cake to all in appreciation of the great kindness they have shown lately by playing for church services and other functions. The band responded with some fine selections of music and a most pleasant evening was spent socially. Mr. Raymond Hersch after spending the week end at home returned to Baltimore and will be near his doctor several days longer. Mrs. Thomas E. Joyner has not been very well for several weeks. Mr. William E. Deford has been far from well since Christmas. Mr. Earl Parsons will spend a couple of weeks with his parents, Mr. and Mrs. Edward Parsons, while Continued on Page Five
