## Christmas Cards

We have for your selection the largest assortment of Christmas Cards ever displayed on the Eastern Shore of Maryland.

These cards range in price from Two to Fifty Cents each and everyone has an envelope to match.

Boxes of assorted cards, each one different, can be had for One Dollar and One Dollar and Fifty Cents, according to the number and quality of the cards in the box. These cards can all be seen at our office on Cross and Cannon Streets, Chestertown.

To add a more personal touch to your Christmas and New Year Greeting have your name imprinted upon the cards you send. We do the printing at a small additional cost.

### Now Is The Time To Select Your Cards

When the holiday season approaches the quantity of cards from which you may choose will lessen. Come in TODAY. Select your cards and avoid the last minute rush when you will be unable to get what you desire.
