Baby Dolls—With Voice

She sleeps! She is loved by everyone! The doll can be placed in a natural, sleeping position—and it's eyes close. Beautifully clothed in a pretty organdie frock, bonnet, slip, flannelette diaper, ribbed stockings and white shoes with pompons. See these unrivalled dolls.

“HALSAM”

Round Corner Safety Blocks

A new toy block! The letters are embossed in scroll designs on 2 sides, printed decorations in rich, harmless, fast colors on 4 sides. Can't injure the child in any way. In lithographed boxes. 2 sets of 16 blocks each, 1 of 30 blocks, 2 sizes.

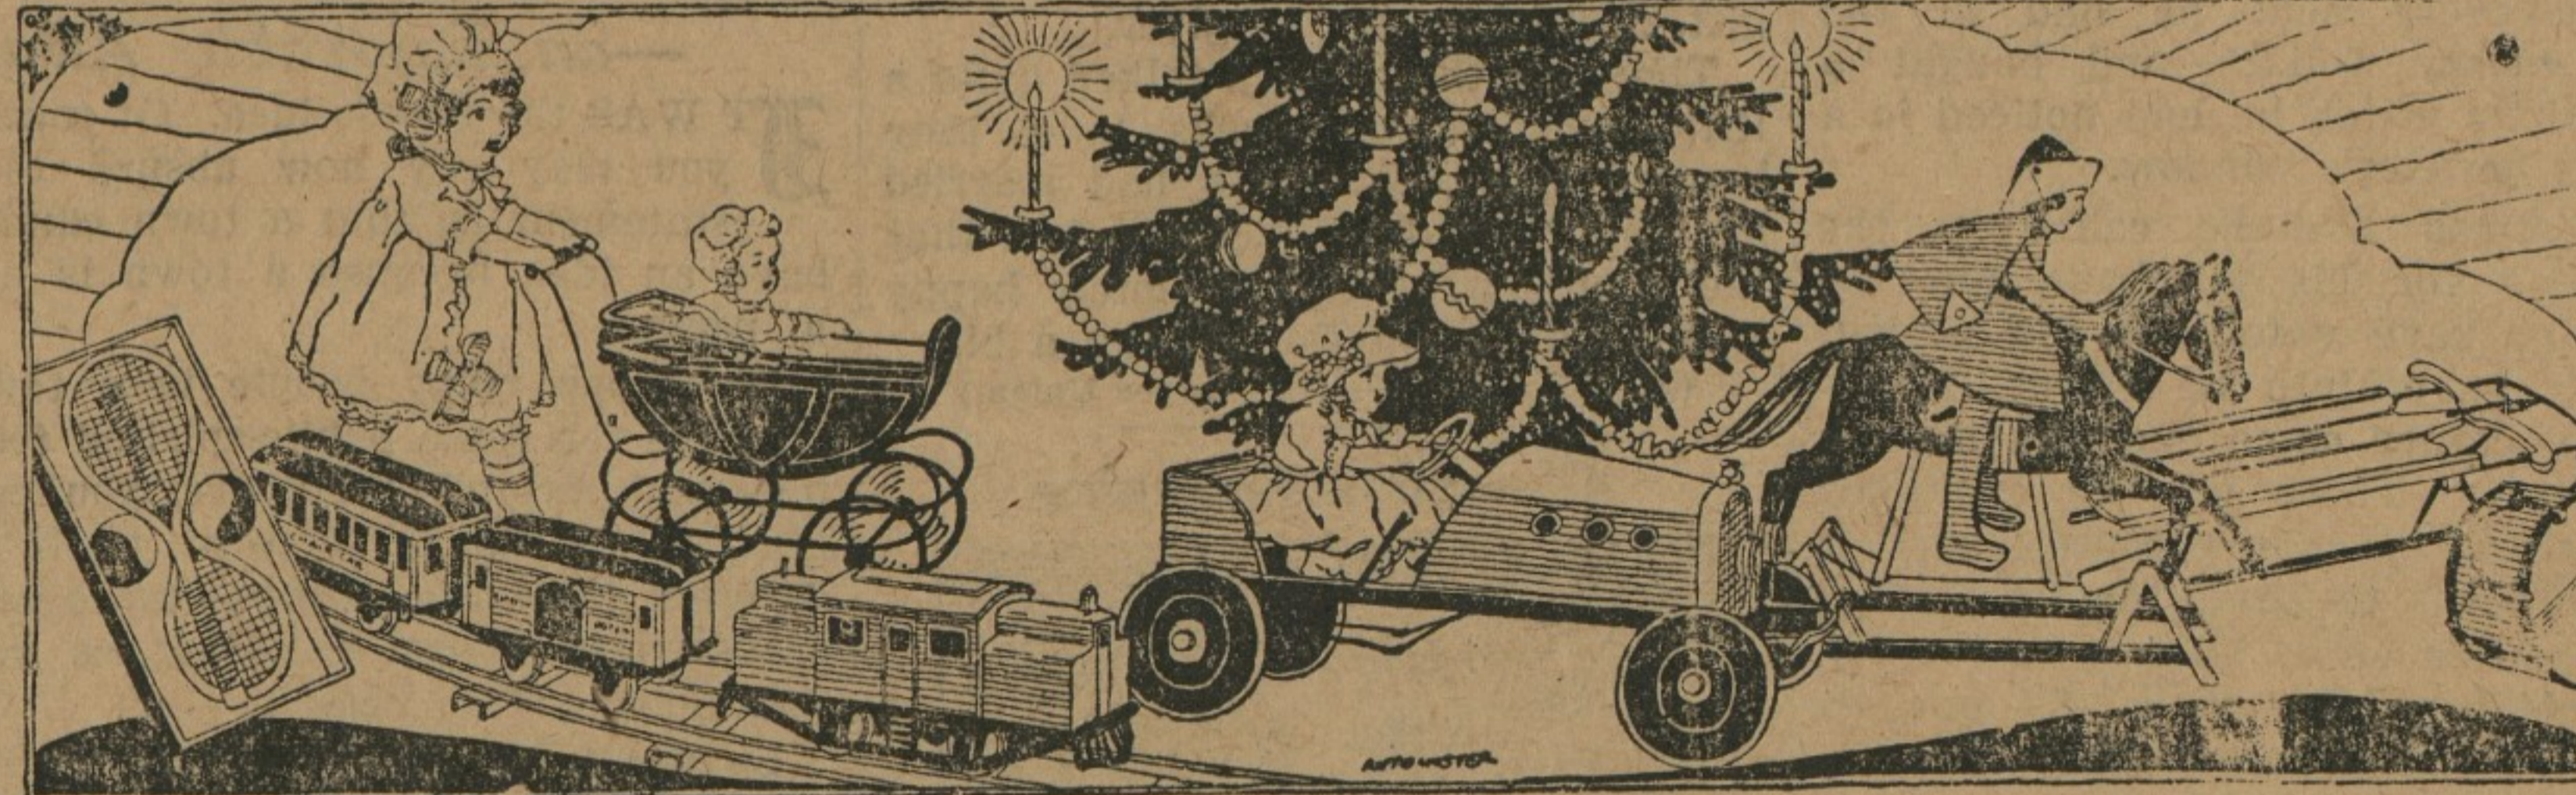

Popular Lightning Scooter

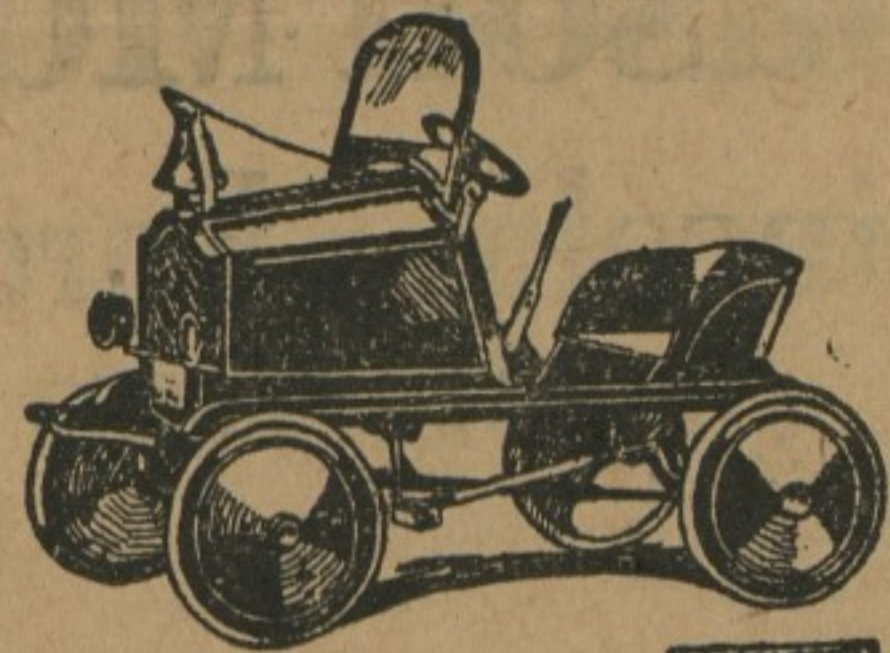

Built for speed. The foot board is 12 inches long, the scooter 30 1-2 inches high and 30 inches long.

A Crack Train “De Luxe”

This “American Flyer” operates over a figure 8 track almost 14 ft. long. The 6 3-4 inch engine has a brake and piston rod and its speed can be regulated. 4 inch tender and 5 1-2 inch baggage car with sliding doors, and a fine 5 1-2 inch passenger coach. The young man can despatch his train over the “crossover” by the hour.

AUTOS

- REX RACER BUILT FOR SPEED
- Hi-Way Henry
- Truck and Trailer
- Fordson Outfit
- Dump Trucks

“SANDY ANDY”

Famous “Wolverine” Toys

You are sure to find something suitable in this big assortment. There are World Flyer Games, Auto Race Games, the well-known Sandy Andy incline—a source of endless pleasure—Over and Under mechanical toys, and several floor toys—for the very little tots. Any one in this group of reliable American made toys is an endless source of wholesome fun.
