This institution is now the Second Largest Bank on the Eastern Shore. We paid \$35,775.54 to our Savings Depositors for Interest on their Savings during the year 1918. At the close of business, January 15th, 1919, our Savings Deposits were \$1,106,520.15, larger than ever before in the history of the bank. This splendid showing is made notwithstanding the fact that our Savings Depositors, Patrons and Friends bought through this bank during 1918—Liberty Bonds amounting to \$331,950.00

The Third National Bank has certainly set a high standard for itself in the every-day conduct of its business. We will be pleased to have you call at the bank and talk over your banking matters. Everybody treated alike.

Very respectfully,
