THE BILLBOARD, America's leading amusement journal says:

Those who love good, wholesome stories of plain everyday life, where true love and jealousy play an important part in a story that ends well, will find in this beautiful photoplay their heart's desire.

It is a story of tender passion, without the extremes of excesses of emotion, which holds the attention and furnishes a heartgripping interest from start to finish.

THE KITCHEN CABINET

We search the world for truth; we call the good, the pure, the beautiful. From graven stone and written scroll. From all old flower-beds of the soul; And, weary seekers of the best We come back laden from our quest To find that all the sages said Is in the book our mothers read.

—John G. Whittier.

A FEW PUREES.

Puree of Cucumbers.—Peel, slice and parboil six cucumbers. Drain and fry in butter, season with salt, pepper and nutmeg. Dredge with four spoonfuls of flour, add two quarts of milk and one quart of veal stock; cook 15 minutes, stirring constantly. Rub through a sieve, reheat, add one cupful of scalding hot cream, season with sugar and butter and serve with croutons.

Puree of Beans and Rice.—Put a quart of beans into a soup pan with a little salt, a small onion, a slice of carrot, a tablespoonful of fat, a sprig of parsley and boiling water to cover. Cook until the beans are soft, rub through a sieve and add sufficient veal stock to make the desired quantity of soup. Season to taste, add two tablespoonfuls of butter substitute and a cupful of boiled rice. Reheat and serve at once.

Puree a la Croissy.—Put into a saucepan a carrot, a turnip and an onion cut fine, two cupfuls of beans, two leeks, a stalk of celery and a small bunch of parsley. Fry in butter, dredge with flour, add a can of tomatoes and two quarts of veal stock. Simmer for two hours, rub through a sieve, reheat, season with salt, pepper, sugar and butter. Add one cupful of cooked green peas and one cupful of boiling cream. Serve with croutons.

Puree of Celery.—Cut two bunches of celery into small pieces, parboil and drain, then fry in butter. Add salt, pepper and nutmeg to season; cover with veal stock and simmer one hour. Blend two tablespoonfuls of butter with two of flour, add a quart of veal stock and the celery and cook until thick. Rub through a sieve, reheat, add two cupfuls of hot milk, a pinch of sugar and a tablespoonful of butter. Serve with croutons.

Chamberlain's Cough Remedy.

Before using this preparation for a cough or cold you may wish to know what it has done for others. Mrs. O. Cook, Macon, Ill., writes, "I have found it gives the quickest relief of any cough remedy I have ever used." Mrs. James A. Knott, Chillicothe, Mo., says, "Chamberlain's Cough Remedy cannot be beat for coughs and colds." H. J. Moore, Oval, Pa., says "I have used Chamberlain's Cough Remedy on several occasions when I was suffering with a settled cold upon the chest and it has always brought about a cure." Jan. Adv.

Patriotic Fund of The Modern Woodmen

The following was taken from "The Modern Woodman" of the January issue:

"The signing of the armistice, while practically ending the war, did not release Modern Woodmen soldiers, and thousands of them are still in service at home and overseas, and many are dying every week from accident and disease as were killed in active warfare. All casualties have not yet been reported. More than 400 soldier death claims were allowed at the December session of the Board of Directors, and additional deaths are being reported daily. It is asked when the special patriotic fund assessments will be discontinued. The by-laws provide that these assessments shall be levied until such time as the Board of Directors shall by resolution duly passed, determine that the necessity for further assessments for such patriotic fund no longer exists. The Board will carry out the provisions of the by-laws, and members will continue making payments until such time as the soldier members of the Society are discharged from service, and make possible the payment of their certificates from the regular benefit fund. Just when demobilization will take place is not known, but it is assumed that the soldiers will be discharged just as soon as conditions are such that the government will be justified in doing so."

"The Modern Woodman says in another part of the paper:

"Again the death losses in Modern Woodmen of America are unusually heavy from the ravages of the Spanish influenza. At its December session the Board of Directors allowed 1,970 regular claims amounting to \$2,995,204. There were also allowed 420 soldier death claims, amounting to \$547,000, which were paid from the patriotic fund. All claims were paid in full as soon as passed upon and allowed."

The Modern Woodmen order is represented in this section by Mr. John W. Barnes, of Chestertown.

Chamberlain's Tablets

When you are troubled with indigestion or constipation, take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its function naturally. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Jan. Adv.

KEEPING IT GOING

SOMETIMES we wonder if people realize the amount of work and study necessary to keep a telephone system going. You go to your telephone and make a call. The operator and the system do the rest.

BACK of the operator there's an organization whose business it is to see that always there is someone on hand to keep the service going in spite of accident, flood, epidemic, storm, war--any one of a hundred emergencies.

Your telephone service is reliable because the people back of it consider their work a public duty--not just a job.
