THE MIDWINTER OUTING

This is the time for the midwinter outing. A dash of summer in the midst of winter is an agreeable variation. It makes for health and pleasure and stimulates vitality.

For the extended trip, Southern California, the fruit and flower land of the Pacific Coast, offers unrivaled attractions.

For the fortnight's trip, Florida, the summer garden of the Northern winter, bids you come and enjoy its genial sunshine, its tropical scenes and its out-door life.

For the ten days' outing, Pinehurst, Camden, Aiken, Augusta, Southern Pines and other popular resorts in the pine belt of the Carolinas and Georgia offer many inducements.

For the short trip—the week-end outing—Atlantic City is always attractive. The same breezes that depress the thermometer in summer seem to keep it up in winter. It offers great hotels on the ocean's edge, out-of-door life and on the sea and a climate full of soap but shorn of the winter severity.

Before deciding on your midwinter outing consult a Pennsylvania Railroad Ticket Agent and get a Pennsylvania Railroad Winter Excursion Book. Whether you select California, Florida, the Carolinas, or Atlantic City, the Pennsylvania Railroad offers a comprehensive train service, reasonable rates and ticketing arrangements, and the best facilities that modern transportation methods can provide.

The Epworth League will have charge of the service again tonight as our pastor is still holding special meetings at Betterton. Forty-five precious souls have been saved and the interest seems growing. Last Sunday night the church would not accommodate the people.

ROCK HALL ITEMS.

Mr. and Mrs. J. W. Kendall and little daughter, Rebecca, spent Sunday with Mr. K's parents, Mr. and Mrs. J. C. Kendall. Virginia the picture of health. He must be enjoying good pickings, up his way.

Mr. Arthur Legg, Quaker Neck, took a sail down from Chit City to Grey's Inn Sunday morning and spent the day with relatives.

Mr. and Mrs. H. H. Kimball have gone to New York to spend the winter with their daughter. Mr. and Mrs. Jacob Wooleyland are caretakers of Mr. Kimball's premises during his absence.

Rev. Mr. Burr preached a very helpful sermon on Sunday morning to a large audience on "applying our lives to wisdom's tree, establishing lines, etc."

The ideal fall like weather of Sunday had the effect of luring many of our people from home in social visiting, divine worship, etc. Even P. G. had to take a long walk out to give vent to his views on the rumors of war with Japan. He being an ex-soldier, is of the opinion that Uncle Sam is from being in first class condition to cope with the Japs.

Mrs. A. Alexander is quite ill this week. Hopes are largely entertained for her speedy recovery.

A number of our fishermen owing to the mildness of the weather and scarcity of fish, have resumed oystering as a more profitable basis of surplus. Oystermen have been blessed with a long spell of fine weather, and they have been making good use of it. It is noticeable that an effort is being made to put a stop to purse net fishing. One of the reasons advanced for the effort is that fish are becoming extinct because of the sweeping catches made by purse nets. So the same crowd said about the oysters, but catching oysters has gone on as extensively as ever, and this season has developed the fact that oysters are more plentiful than last year's season. Let fish be protected by a cull law as the oysters are and alarmists will have no cause to complain of the extinction of fish.

If purse netting should be ruled out, it will be a terrible blow to Kent county, especially this part of it. Purse net fishing is at home in the waters of the Chesapeake and thousands of dollars are circulated here by the fishermen of this place.

A meeting of the citizens of Rock Hall was held in Dr. O. U. A. M. hall last evening for the purpose of taking formal action regarding an act of incorporation for this place, establishing lines, etc.

The reflection from the fire in Chestertown on Monday evening was plainly visible to our people.

Dist. Dept. C. M., Samuel B. Colyer, installed the following officers for the current term of the Odd Fellows Lodge on Tuesday evening: N. G., Thomas L. Maslin; V. G., Wm. T. Harries; Rec. Sec'y, J. W. Boyer; Fin. Sec'y, S. B. Colyer; Treas., B. H. Coburn; Chap., J. B. Downey. Capt. Wm. H. Coleman was a most welcome visitor at the lodge meeting. He received an enthusiastic introduction to the members present, but owing to the long distance from home he was unable to treat the members to an extended address.

Our gardeners and truckers are now treating their gardens and truck plots to a generous coating of manure. A good time for such work and results next summer and fall will be all the better.

There was a large attendance and they realized over 150 guests and they realized over \$60, and wish through your valuable paper to thank every one that attended to make his function a success.

There was no services in either of our churches on Sunday. Rev. C. M. Cullum is holding Protracted Meetings at Warwick of the M. P. Church and Rev. Mr. Prettyman of Galena, who come here on Sunday morning to hold services in the M. P. Historic Church, was unable to speak above a whisper, consequently was unable to preach.

IN MEMORIAM.

In memory of our dear mother, Mrs. Emily Elizabeth Low, who departed this life January 25, 1907.

Once our home was bright and happy,
Oh, how sad and dreary to-day,
For our dear and loving mother
One year to-day has passed away,
Dear mother but not forever,
For there will be a glorious dawn,
We shall meet to part no more,
On that Resurrection Morn.

Just one year ago to-day
That our dear one was called away,
How sudden was the summons
When told that she was dead,
Time was too short to say good-bye
To those she loved and loved so true.

Safe from the storms and pains and dangers,
Never more to sicken the body,
She has anchored in the harbor
Where there is no death,
Back from the margin of this river
Come the soft and gentle murmur
"All is well," yes, "All is well."
"We meet her in the sky, we must each
one come."
"Come up higher" to her home.

Files a Bill.—Mrs. Sarah A. Stowman, through Attorney Edward L. Ward, filed a bill in Baltimore City Court for absolute divorce from Mr. George W. Stowman, a farmer of Kent county. Their marriage took place on April 18, 1883, and it is alleged in the bill that he treated his wife with cruelty, compelling her to leave their home. The separation occurred on November 19, 1899.
