

JOHN V. KILBOURN'S STORE AT EDESVILLE.

It Is Now Time

to begin to think about spraying your orchards. BEGIN RIGHT BY BUYING AN

Empire King Sprayer

which is the most satisfactory spray pump made. After we have supplied you with a Spray Pump then the next is something to use in it. We have

SCALESCIDE

found to be very satisfactory by such farmers as Mr. John Bell, Mr. James Bell, Mr. J. Thos. Smith, Mr. James Newnam, Mr. John Newnaw, Mr. James A. Lee and many others. Mr. James A. Lee, of Sudlersville, Md., tells us that the inspector from the Maryland Experiment Station tells him that he never saw a better job done by anything or anybody as he could absolutely find no live scale in his orchard after the use of SCALESCIDE. What better recommendation can you want

We also have the SUCCESS MANURE SPREADER which is a thorough rolling bearing machine, the only manure spreader yet using roller bearings which is a much lighter draft spreader. It is undoubtedly the best manure spreader made. See us before buying.

We are also prepared to furnish you with anything that you may need on the farm, OLIVER PLOWS, FARM WAGGNS, HAMES, TRACES, LINES, COLLARS, BRIDLES, HALTERS, BACKBANDS, etc.

If you need a GASOLINE ENGINE either stationery or marine we are prepared to take care of you. For the stationery we have the Mc-VICKER which is simplicity in itself, and for the marine we have the FERRO which is too well known here to need anything further said. Let us figure with you on your wants.
