BOLGIANO'S High Bred Seed Potatoes

READ IT--of how our high bred, carefully selected Maine grown Seed Potatoes act in the field. MARCH 10th, 1908. J. Bolgiano & Son, Baltimore, Md. Bolgiano's Famous Prosperity Potato I think is the best potato ever grown; its cooking qualities cannot be beat. It is the best yielder and does better on poor ground than any other variety I ever grew. It does better yet after frost than any other variety, wet or dry season you are sure to make a crop. If you plant Bolgiano's Famous Prosperity Potatoes, The big stalks vines are a good thing in wet weather to hold the weeds down, after they are laid by, and are a good thing in dry weather to hold the moisture in the ground. We have a complete assortment of all the standard and special varieties of Seed Potatoes. If your local merchant does not sell Bolgiano's selected High Bred Seed Potatoes write direct to us and we will tell you where you can get them.
