FAIRFIELD'S Milk Producer and Blood Tonic

IMPORTANT TO FARMERS

Manufacture your own stock foods as you need them. No trouble, it saves exexpense by mixing a small quantity of Fairfield's Blood Tonics with the animals' regular ration. A separate tonic compounded to meet the peculiar requirements of each kind of animal, put up in concentrated form gives greatest results at less cost than the old style and obsolete method of putting up cureall stock preparations.

MR. CHARLES S. SMITH writes: "It gives me pleasure to inform you that I am now using your Egg Producer and am thoroughly satisfied with the results. I find that it is a good investment and heartily

MR. WILBUR ELIASON tells us that his hogs would always become infected with cholera whenever it would appear in the neighborhood. Last fall cholera was on all sides of his farm and he did not have one hog taken sick while in former years he would lose all. He attributes this great fortune to the regular feeding of FAIRFIELD'S BLOOD TONIC FOR HOGS ONLY

MR. C. C. BROWN, of Pomona, says that he tried for fourteen years to raise ducks, but they always died at the "feathering age." For the past two years he has used FAIRFIELD'S TONIC FOR POULTRY ONLY and raised every duck after he had started feeding this wonderful

preparation of the kind he has ever used. There are scores of others in this county that endorse these meritorious preparations. They are animal. You do not run the slightest risk in purchasing these Tonics for if they do not do all that is claimed for them we cheerfully refund

ESTABLISTED 1841.

WM. B. USILTON'S SONS.

SATURDAY, APRIL 3, 1909.

Base Ball.—The varsity of Washington College lined up against the strong Villa Nova nine for a series of two games on March 26th and 27th. These games opened the season for the home team but the work of Washington College was exceptionally good. On the first game the Pennsylvanians used three pitchers, while for Washington, Morton twirled for nine innings. The new material showed its mettle and high hopes are entertained for a successful season. Baden pitched the second game for Washington. On the first game Villa Nova rolled up 11 points to Washington's 7. The second game gave 10 points to the strangers and 4 to the home team. Washington meets Delaware College at home, Saturday, April 3rd. A fine game is expected since the two teams are evenly matched. Coach M. J Thompson has worked up his team in fine shape and the boys are entering enthusiastically upon the work.

Weather Forcasts for April—From Word and Work, by Rev. Irl R. Hicks, we obtain the following information in reference to the weather forcast for April: "A regular storm period is central on the 2nd, reaching from March 31st to April 5th. Storm and weather condition will reach 5th. A reactionary storm period is central on the 7th and 8th. The report goes minate from Mississippi Valley eastward to the Atlantic.

> DOINGS AMONG THE COLORED PEO-PLE OF CHESTERTOWN.

The members of Janes M. E. Church tendered their pastor, Rev. J. R. Holland a grand reception on Friday night in the basement of the church. The rooms were beautifully decorated with flowers and lace curtains. Directly over the altar were the words "Welcome Home." Harrison Jenkins delivered a short adress of welcome. This was responded by Rev. Holland, who among other

Colored Conference. - The De'aware Conference of the Methodist Episcopal Church (colored) which has been in session in Cambridge for a week or more adjourned last Monday.
